MacArthur's Forces Firmly Hold Positions Captured From Japanese

By JOSEPH A. BORS

WASHINGTON, March 2.—With troops of the United Nations battling furiously to save the island of Java, the war department today reported that on the Bataan front black painted planes believed to be of German manufacture have been bombing the forces of General Douglas MacArthur.

With officials awaiting further reports on the battle raging in Java, the war department in a communique told of the appearance over Bataan of the strange two-engine bombing planes with white crosses on their wings.

Believed Reserve Planes
The department said the aircraft may have been German-built planes which Japan is believed to have in reserve.

There was no intimation that Germans were flying the planes. Usually German army planes are marked with black wing crosses surrounded by a white circle, an official spokesman said.

The morning communique indicated that MacArthur's outposts—

PA NEW C OBSERVES

According to most observers, March made its entry on Sunday much in the nature of a lamb. According to the old saying the month will go out like a lion, which would indicate stormy weather for the latter part of the month.

MAKE EVERY PAYDAY BOND DAY

The barometer fell a little last night and this morning pointed to cloudy and warmer followed by unsettled weather.

There are still some auto drivers that apparently aren't worried about wearing out tires. Pa. News noted a couple of machines in the city over the week-end from distant states.

Persons will observe that the tree near the flagpole in the park on the Diamond, has been severely trimmed back, by order of superintendent of parks, Councilman J. D. Alexander. This was done to allow more clearance for the flag.

Ready For Gas Attack If —

Preparing for the time when they may have to face a gas attack, thousands of women are being educated in the use and the safety of the gas mask at the Norfolk, Va., naval station. At the top, one of the women has her civilian-type gas mask adjusted before entering a gas chamber. Below, two others have just emerged from the chamber. The tears were brought to their eyes when the girls were asked to remove the masks to prove to themselves that gas is really irritating.

Lawyers Have Annual Banquet At Field Club

Usual Colorful Event Well Attended By Representatives Of District Bars

GOOD PROGRAM IS PRESENTED

Always a colorful affair, looked forward to for many months by Lawrence county's lawyers, the annual banquet of the Lawrence County Bar association, which took place at the New Castle Field Club Saturday evening, proved no exception in the long series of such events.

The dinner was preceded in the afternoon by a seminar, which was presided over by Robert McKinney White and was conducted by Prof. Paul A. Leide, of the University of Michigan Law School. His topic for discussion was "Liability of Vendors for Defective Chattels," and was both interesting and instructive.

Hon. R. Lawrence Hildebrand, president of the Lawrence County Bar association, presided as toastmaster at the program which followed a sumptuous turkey dinner, carved and served by committees from the bar association. The speakers included Oliver J. Keller, president of the Pittsburgh Post-Gazette; Fred B. Gerner, of Allentown, Pa., president of the Pennsylvania Bar association, and Prof. Leide.

Discusses Free Press
Preceding the speaking, however, there was a program of light entertainment, or perhaps it might be termed enlightening entertainment, when Joe Solomon and his crew of "slanders" enacted a meeting of the minor judiciary, with John Powers addressing one of their sessions, during which various members of the bar and public officials were lampooned in a zesty and tasteful manner.

Assisting Solomon were: Robert Jamison, Elmer O'Neill, Edward M.

Mystery Blast Off Jersey Coast

Thousands At Atlantic City Hear Explosions Sunday Night

(International News Service)

ATLANTIC CITY, N. J., March 2.—Investigation of mysterious explosions reported off the New Jersey coast was being made by authorities today.

Thousands of persons on the famous Atlantic City boardwalk reported hearing explosions about 10 p. m. yesterday and declared that searchlights flashed in the sky just beyond the horizon.

Naval authorities beyond admitting they had received the reports would make no comment.

Three explosions were declared to have been heard.

Traffic was snarled at Atlantic City as motorists headed for the shore as many wild rumors circulated. Police were forced to reroute traffic as the roads became blocked.

The explosions were reported after a heavy cloud of black smoke was seen from the shore off Point Pleasant, 60 miles north of Atlantic City.

Fear Submarines Sank Seven Ships

Atlantic Convoy Is Attacked By Subs Survivors Landed In Canada Say

(International News Service)

AN EASTERN CANADIAN PORT, March 2.—Belief that German U-boats snared seven vessels from a North Atlantic convoy was expressed today as 111 survivors from our United Nations ships were recovering from their experiment today.

The survivors were from three tankers and one freighter attacked and sunk by enemy submarines. The survivors said it was probable that three more steamers were sunk by the subs.

No estimate of the loss of life could be made but it was stated definitely that two lifeboats loaded with men had succeeded in getting away from their ships after the torpedoes struck but had not been located.

Fierce Battle Being Fought For Rangoon

Heavy Jap Reinforcements Are Being Thrown Into Sittang River Line

ENEMY SEEKS TO CUT BURMA ROAD

American And British Airmen Bring Down 51 Planes And Lose Only Two

By JAMES E. BROWN
International News Service Staff Correspondent

LONDON, March 2.—One of the fiercest battles of the war was being fought in the paddyfields of south Burma today for control of Rangoon, the scorched and battered port. Heavy reinforcements were being thrown into the line along the Sittang river.

The Japanese drive was aimed at cutting the Burma road supply line to China, and reports reaching London said the enemy had penetrated the British positions on the west bank of the Sittang river and temporarily cut the Rangoon-Mandalay rail line which feeds the Burma road.

The Japanese advance was in the sector north of Pegu. British forces counter-attacked and wiped out the Japanese patrol, regarding control of the railroad.

Massing Troops
Reports from the front said Japanese patrols had penetrated the British defenses at several points, and were massing troops along the east bank of the river for a full-scale attack.

An earlier communique reported patrol actions along the front, with United Nations planes smashing at Japanese positions.

Military authorities in London said the situation west of the Sittang river was unchanged and that no major Japanese attack was developing in that area, at least on the surface.

A British communique issued in Rangoon said British patrols attacked two small enemy parties on the bank of the river north of Pegu and that some prisoners were taken "and the remainder killed."

The communique said other fronts were quiet.

Patrol Activity
"Patrol activity continued along the Sittang river front," said the communique. "Enemy activity is increasing. Our fighters and bombers were in action against enemy positions."

Japanese reinforcements were being brought up in great numbers, forcing the British to spread out.

German Attempts To Bring Aid To Encircled Troops Reported Frustrated

(BULLETIN)
(International News Service)

MOSCOW, March 2.—The Russian offensive was still moving forward today after repulsing powerful Nazi counter-attacks and destroying scores of German transport, bombing and fighting planes.

Soviet reports said the Germans had hurled increasing numbers of tanks and planes into their counter-thrusts in an effort to halt the Red army advance and permit completion of plans for a promised German offensive.

(A Turkish radio commentator said it was estimated Germany and other Axis powers were assembling 1,650,000 troops for use in a spring offensive against Russia, while the Russians were massing about 1,200,000 to meet the anticipated drive.)

HONOLULU, March 2.—Unidentified planes which caused Honolulu's third air raid alarm of the war were described today as "friendly."

"The air raid warning system located unknown elements at sea," said an official announcement. "Investigation disclosed these were friendly."

Fighter planes took the air immediately the alert was sounded. Army headquarters said all defense posts were ready for action, and that the alarm demonstrated that the islands cannot be surprised again.

LONDON, March 2.—British and German planes were active over the English channel early today and observers reported heavy firing which might have been naval guns. The air battle over the channel followed a heavy shelling of the Dover coast by German guns on the French coast.

Stockholm, March 2.—Furious battles today were reported raging in the Donetz and Crimean sectors of the Russian front, and the Red army was continuing to tighten its rings around trapped German troops in the Stabara Russa and Vyazma regions.

After capturing a fortified position in the Khar'kov district, reports from the front said, Russian cavalrymen poured through the gap and liberated many positions.

In the Crimea, the Russians were said to have launched a fresh attack from the Kerch Peninsula in the direction of the Nazi-occupied Port of Theodosia.

Ten Jap Warships Put Out Of Action In Java War Area

By JOSEPH J. KOSAK
International News Service Staff Correspondent

BATAVIA, March 2.—Bringing the toll of Japanese warships knocked out of action to 10, a Netherlands motor torpedo boat sank a Japanese flotilla leader during a night attack, it was announced today.

(A Reuters (British) dispatch from Bandung said Japanese losses in men and equipment were "enormous" in the fighting on Java. This report said the Jap troop casualties "must be reckoned in thousands and their losses in tanks, armored cars and artillery in the hundreds.")

Meanwhile, British troops were reported fighting beside the Dutch defenders of the island of Java as severe hostilities raged along the northern coast of this last stronghold of the Netherlands East Indies.

The N. E. I. war communique said the Japanese flotilla leader was sunk during a night attack in the eastern part of the Java Sea.

Some 70 of these light, high-speed torpedo boats were declared to be in service in Indian waters against the Japanese.

The war bulletin was recent regarding the fighting on land against the Japanese forces which have swarmed ashore at three widely separated points on Java.

WASHINGTON, March 2.—American and United Nations troops furiously battled Japanese units on the island of Java today as the invading enemy desperately fought for complete possession of the last stronghold of the allies in Dutch East Indies.

Washington anxiously awaited latest reports from Java as American, Dutch, British, Australian and British forces struck at the Japanese on land, air and sea to prevent a repetition of the fate of Singapore.

Japs Pay Heavy Toll
Incomplete dispatches from the fighting fronts indicated that the Japanese were paying a stiffer price for their gains in Java than they have anywhere since the Pacific conflict was precipitated 13 weeks ago.

U.S. To Aid Free French

(International News Service)

WASHINGTON, March 2.—The United States government, it was learned today, has concluded an agreement with the Free French for the joint defense of the strategically important French Pacific islands of New Caledonia and New Oceania, including Tahiti.

Under the terms of the agreement, the United States recognizes that those islands are "under the effective control" of Gen. Charles De Gaulle's Free French national committee.

The agreement for joint defense of the islands was first made public by the Free French high commissioner in New Caledonia, and continued here.

America's willingness to undertake joint defense of the islands was conveyed to the Free French high commissioner by the American consul general in New Caledonia.

CHICAGO, March 2.—For anyone who may have been slightly annoyed by the names "Japan" and "Yokohama" appearing on the sides of two sleeping cars, the Pullman company had a reassuring word today. The cars are in the army now.

With their names removed, they now bear numbers like all the fleet of 1,500 Pullmans now assigned to troop trains. "Japan," now a number, already has been in military service for some time, and "Yokohama" is about to leave the shops for war duty.

Latest Attempt To Land On Java Badly Smashed

Japanese Already On Java Are Facing Terrific Attack By Defenders

(BULLETIN)
(International News Service)

UNITED NATIONS HEADQUARTERS, Bandung, Java, March 2.—Violent United Nations counter-offensive action today brought at least a temporary halt to Japanese landings on the island of Java after the enemy lost the bulk of a new invasion army off Rembang.

As the Netherlands Indies news agency Aneta made known that no new enemy landings have been reported anywhere in Java since the initial three-pronged offensive, a special communique told of a slashing attack by Dutch fighter aircraft against a Japanese army seeking to reach shore from 20 transports.

The moment that reconnaissance reported appearance of the new enemy fleet at a point described as "not far from Rembang" in north-central Java, an undisclosed number of N. E. I. planes took off from a base nearby.

Sin; Troop Barges
They arrived to discover hundreds of Japanese troops, equipped with tanks and other weapons, being ferried to shore from the 20 transports. Almost every one of the heavily-laden barges, crowded with men and materials, was sunk by light bombs or machine-gun fire. One tank in the process of being unloaded was set afire and toppled into the sea by shore crew. Other tanks which already had been put ashore were set on fire.

See Russia Ultimately In Jap War

Stalin Likely To Join Battle

Action Will Not Be Taken For Some Time In Future, However

RUSSIA NOT WANTING WAR ON TWO FRONTS

By KINGSBURY SMITH
International News Service Staff Correspondent

WASHINGTON, March 2.—Responsive quarters in Washington today believe Soviet Russia will enter the Pacific conflict against Japan, probably within the next 18 months.

This belief is based on several factors, some of which cannot be disclosed. Two of the fundamental factors which are considered no secret, however, are:

1. The Soviet government's conviction that Japan eventually will attempt to gain control of Vladivostok, long regarded by Tokyo as a potential dagger pointed at the heart of the Japanese empire.

2. Soviet Premier Josef Stalin's belief that Japanese militarism constitutes the same danger to world peace as Hitlerism.

At present, the Soviet remains reluctant to enter the Pacific conflict in the immediate future for the following reasons:

Reasons For Delay

First, because the Soviet government feels that the Russian people would not understand nor approve any move that would deliberately precipitate a war with Japan while the outcome of the battle against the German armies on the western front remains uncertain.

Secondly, because the Soviet government is understood to feel that the United States is not yet ready to make full use of Siberia as a base of operations against Japan.

Stalin does not want to grant the United States the right to use Siberian bases for aerial attack against Japan, and then find that only a comparatively small number of American war planes and other essential supplies can be spared for action in that area.

The Soviet premier is understood to feel that such a development would leave Russia fighting a war on two fronts, with a consequent dangerous weakening of its resistance to the Germans in the west.

What Nazis Want

In fact, the Soviets believe a Russo-Japanese war is just what the Nazis want, and they are convinced Hitler is pressing Japan to attack Siberia in the spring.

So far, Tokyo has shown no disposition to tackle Russia. On the contrary, the Japanese government is known to have been leaning over backwards to avoid a break with Russia. It is permitting Soviet ships

to leave Vladivostok regularly, cross the Pacific to the United States, and pick up vital war supplies, with which Russia can carry on the fight against the Nippon empire's Axis partner.

How long Japan will permit Russian vessels to travel back and forth across the sea of Japan and the Pacific on such missions is considered questionable. It would cause no surprise to American officials, however, to the Russians, if Tokyo should decide to attack Siberia this spring, simultaneously with the German offensive.

In such an event, Soviet far eastern bases will become available immediately to the American and other United Nations forces.

WASHINGTON AWAITS LATEST REPORTS ON BATTLE TREND IN JAVA

(Continued from Page One)

anxiety as they admitted that the death of Java would determine the course of the war for the United Nations in the months to come.

War analysts asserted that loss of the Netherlands East Indies would force the United Nations to fall back to Australia and New Zealand, prolong the war many months and aggravate the plight of Gen. Douglas MacArthur's Philippine defenders.

Early reports indicated that Japan was paying a heavy price in warships, troop transports and manpower for their invasion of Java—losses which may hasten the offensive promised against Nippon by American high officials.

MacArthur Holds Gains

Meanwhile, in the Philippines, MacArthur's forces continued to hold land gains made in the recent surprise counter-offensive, and in northern Luzon a small detachment of American-Philippine troops forced the invaders to evacuate a 45-mile stretch of the Abra valley.

Lack of enemy activity over Bataan indicated that the Japanese were too busy in the southwest Pacific to launch their long-promised all-out attack against the defenders.

For the first time in weeks, there were reports of Japanese activity on the Philippine Island of Cebu, 350 air miles southeast of Manila. A lone Nipponese warship shelled the island but withdrew without inflicting substantial damage.

The attitude of the Philippines after 12 full weeks of war was expressed by Philippine President Manuel Quezon in a lengthy statement in which he stressed the fact that "our spirit of resistance and our will to victory remain undaunted."

In a proclamation issued from his undisclosed temporary Philippine capital, Quezon pointed out that the Japanese have failed to make any advance during the past month against the American-Philippine forces under MacArthur.

Begun To Achieve

"We have suffered reverses, but we have begun to achieve victories," Quezon added. "The United Nations compelled at first to be on the defensive, are now seizing the initiative on several fronts. The fall of Singapore has been compensated by victories at Macassar Strait, Gilbert and Marshall Islands and around the waters of Bali. The bolt hurled by the enemy is fast spending its force. The tide is turning, and it will not be long, I trust, before the tremendous military might of America fully goes into action in this part of the world."

Fred Scheppele of 1303 North Mercer street, an employee of The News, left for Beaver Falls about noon, after being informed of the sudden death of his father, Fred Scheppele, Sr., of 1828 Sixth avenue, Beaver Falls.

The elder Mr. Scheppele was found dead this morning at about 11:30 o'clock, presumably from a heart attack by his daughter, Anna. Funeral arrangements will be published later.

Mrs. Mary E. Tucker
Mrs. Tucker has been received here of the death of a former resident, Mrs. Mary E. Tucker, aged 78, of Denver, Colo., who died in that city on Saturday, February 28.

Mrs. Tucker leaves two sons, James S. of New Castle, Mark E. of Pittsburgh, and two daughters, Mrs. Walter Morgan of Los Angeles and Miss Bertella Tucker of Denver.

Funeral services will be held on Wednesday, March 4, from St. Paul's Cathedral in Denver.

Infant Davis
Willard James Davis, infant son of Mr. and Mrs. A. Glenn Davis, Slippery Rock, died at birth in the New Castle hospital Saturday at 12:30 p. m.

Surviving are the parents; a sister, Eleanor Jean; a brother, William J., and the grandparents, Mr. and Mrs. Durnell and Mrs. William H. Davis.

Interment is being made in Zion cemetery this afternoon.

Sylvanus Alvi McCracken
Sylvanus Alvi McCracken, a well known real estate man in this city, of 810 Butler avenue, passed away this morning at 8 o'clock at the home of his son, H. Claude McCracken, 215 East Grant street.

Mr. McCracken, 63 years of age, had been at his son's home for ten days and had been in his usual health when he was stricken suddenly last night at about 11 o'clock.

Born in Mercer county, Pa., on October 30, 1858, a son of William A. and Margaret Drake McCracken, he had resided in New Castle for 60 years and had spent 40 years in the real estate business. He was a member of Central Presbyterian church, his wife, Margaret, Brisbane church, Crick, preceded him in death in 1915.

Survivors are two sons, Carl B. McCracken and H. Claude McCracken, both of New Castle; two grandchildren; and the following brothers and sisters, Samuel L. McCracken of New Castle, Lester M. McCracken of Youngstown, Mrs. Lydia M. Huhns of New Castle, Meade McCracken of Volant, R. D. and Mrs. Francis Walker of San Diego, Calif.

The body has been removed to the R. L. Boyd funeral home, North Jefferson street, where funeral services will be held Wednesday afternoon at 2:30 o'clock with Dr. Robert Meade Patterson, pastor of Central Presbyterian church, officiating. Interment will be in Grace-land cemetery.

The family will receive friends at the funeral home this evening from 7 to 9 and Tuesday afternoon and evening from 2 to 4 and 7 to 9 o'clock.

Mrs. James A. Ryder
Mrs. Eva Uzetta Ryder, aged 46, wife of James A. Ryder, passed away Sunday evening at 8:55 o'clock with a heart attack at the home of her daughter, Mrs. Betty Locke, Portersville, R. D. 2 (Grant City).

Born in Armstrong county, Pa., on May 4, 1895, a daughter of Daniel W. and Susanna Hayes McCracken, she had resided in the Portersville district for three years and attended the Presbyterian church of Butler. She had been married to Mr. Ryder for 32 years.

Surviving, in addition to her husband, are two daughters, Mrs. Irene Kolser of Ellwood City, Mrs. Betty Locke of Grant City; five sisters, Mrs. Annie Hohn of Worthington, R. D. 1, Mrs. Doris Shields of Mercer, Mrs. Flora Crawford of Pittsburgh, Mrs. Margaret Bowser of Bruin, Pa.; Mrs. Virginia McMillen of Slippery Rock, R. D. 2; two brothers, Robert Barnhart of Worthington, and the granddaughters, James Edward and Donald Leroy Locke.

Funeral services will be conducted Wednesday afternoon at 2 o'clock from the home of her daughter, Mrs. Locke, with Rev. William A. Lloyd of Leesburg in charge. Interment will be in Plaingrove cemetery.

The body, removed to the Cunningham funeral home in Leesburg, will be taken to the Locke residence this evening at 6 o'clock.

Antonietti Funeral
Funeral services for Richard Antonietti, West Washington street extension, were conducted Saturday afternoon at 2 o'clock from the Cunningham funeral home, East Washington and Chestnut streets, with Rev. J. Calvin Rice, pastor of the Second U. P. church, officiating. Pallbearers were Joseph and John Augustine, Albert Nollers, William Francis M. and Wilbert E. Stephenson.

Interment was in Clinton cemetery, near Wampum.

Martin Services
Funeral services for Earl W. Martin, 910 Vogan street, were conducted Saturday afternoon at 2:30 o'clock, from the Ritchie funeral home, South Mill street, with Rev. C. R. Thayer, pastor of the Third United Presbyterian church, officiating.

Pallbearers were Charles Ward, Harold Hogue, John Foreman, Chauncey Davis, Thomas H. Alexander and William Philant.

Interment was in Oak Park cemetery.

Mrs. McGarvey Funeral Time
Funeral services for Mrs. Hazel Edna McGarvey, 32, wife of the Rev. Norman McGarvey, pastor of the Christian and Missionary Alliance church at Darlington, will be conducted this evening at 7:45

o'clock from the Darlington church with the Rev. R. E. Ellenberger of Beaver Falls officiating.

On Tuesday morning the body will be sent to Clearfield, Pa., where further services will be held at 11 o'clock followed by interment there.

Mrs. McGarvey passed away Saturday morning at 11 o'clock in the Jameson Memorial hospital following an illness of about six months' duration. She was born in Warsaw county, Pa., on January 4, 1910, a daughter of the late Theodore Giles and Della Shirley Giles. She had resided in Darlington for the past eight months.

Survivors are her husband; one daughter, Anna Lafue; one son, Gary Lee; her mother, Mrs. Della Giles; one sister, Mrs. Lynn Thompson of Clearfield, and one brother, William Giles of Rockton.

Mrs. Vance Funeral
Funeral services for Mrs. Rosetta W. Vance, 12 East Division street, were held Saturday afternoon at 2 o'clock from the Marshall funeral home, Wampum, with Rev. Treet and Rev. Matthews of Chewton in charge.

SOVIET OFFENSIVE MOVING FORWARD MOSCOW REPORTS

(Continued from Page One)

forces retained the initiative in all key sectors from Leningrad down to the Crimea.

While the regular noon Red army communique said merely that fighting continued during the night, a supplementary bulletin said 1200 Germans had been killed in two days of fighting on one Leningrad sector.

Frustrates Aid Attempts

It added that the "Soviet air force is frustrating German attempts to provision by air the troops encircled at Staraya Russa."

In the Staraya Russa area, it was reported, the German 16th army was being beaten down by the blows of encircling Russian forces. Nazi transport planes trying to rush fresh troops and supplies to the trapped army were said to have been knocked from the skies by the dozens.

The government newspaper Izvestia said that west of Kalinin, Soviet forces recaptured three more towns.

On the central front in the direction of Smolensk General Golubev's units were declared to have wiped out two infantry battalions and to have destroyed the headquarters of two enemy infantry regiments "after a fierce battle."

The midnight communique, reporting that several additional communities had been recaptured said that "Soviet troops had 'overwhelmed the enemy's resistance.'"

Many Nazi Planes Lost

Reporting the highest aerial casualties since last autumn, the official bulletin said 115 Nazi planes had been destroyed in two days—47 on Friday and 68 on Saturday—a record day's bag for the winter. Loss of 14 Russian planes was admitted.

Many of the German planes shot down were transport craft, which are easy marks for fighting planes.

Adolf Hitler was pictured as throwing more and more tanks into his counter-attacks, both on the still snow-covered central front as well as in the south.

But the Russians said these German tactics were fruitless. While the Russians were crushing Nazi resistance before Smolensk, it was stated, Soviet legions on the southern front inflicted heavy losses on two German divisions.

STRANGE PLANES ARE REPORTED IN USE OVER BATAAN

(Continued from Page One)

ed forces are holding the advance positions which they captured from the Japanese in a surprise counter attack several days ago.

Day's Communique

Following is the text of the war department's 130th communique: "Philippine Theater—There were practically no ground operations in Bataan during the past 24 hours."

"Enemy air activities were confined to some local bombing raids behind our lines."

"No damage was inflicted. Among the enemy aircraft participating in the bombing were three two-engine planes with unusual markings."

"They were painted black, with white crosses on the wings. They may have been German-built planes. Some of which Japan is believed to have had in reserve."

"There is nothing to report from other areas."

RESTRICTS USE

City Zoning board today notified city council in meeting held in the city building that it had found, following a hearing, that work done under a permit granted by the city engineer was not in exact conformity with the permit, relative to the property of C. G. Weygant at 262 Winter avenue. The appeal was made by A. M. Barnett. The board rule that under the zoning law, any use of the house as an apartment or multi-family house would be in violation of the zoning law.

FAITH
EMPLOY THE BEST

When you employ a mechanic to do any kind of work, you are very careful to employ one who understands the particular line of work you want done. And, when you can employ one who does his work well, at the same price as one who would neglect to give you first class service, it would be foolish to employ anyone but the better of the two.

This same rule applies to our profession. In selecting a funeral director, it is very foolish not to employ the best. Our equipment, our forty-three years in business and our reputation as funeral directors places us among the best. For proof of this, ask someone whom we have served.

DAUGHTERS OF 1812 ARE ENTERTAINED

New Castle Perry Chapter, Daughters of 1812 were delighted to entertain Saturday afternoon in the home of Mrs. Carrie Alley, Knox avenue. Mrs. A. T. Eckles, past president, presided in the absence of president, Miss Sarah A. Wallace.

After the Pledge of Allegiance, the group sang "America" with Mrs. W. H. Lukart, accompanist. The ritual and religious program was conducted by Mrs. W. H. Weinschenk, chaplain. Response to roll call was made with a "current event."

Following an interesting report contributed by Miss Viola Wallace, Miss Virginia Weinschenk read an excellent account of Gen. Douglas MacArthur's mother being presented a gold medal by the National Society Daughters of 1812 in honor of her illustrious son. Mrs. MacArthur is a member of the Daughters of 1812.

Mrs. S. E. McCleary, the chapter's real daughter will celebrate her 98th birthday anniversary on Wednesday, March 18. The membership will observe their usual custom of honoring her on this occasion, with flowers and greeting cards.

An article in "Indian Tales of Pennsylvania" was another highlight on the program, given by Mrs. F. A. Pinkerton, the concluding part of the program.

Refreshments were served by the hostess, with Mrs. Marie Patison, aiding.

On March 21, the meeting will be with Mrs. W. D. Cobau of Rhodes Place. Mrs. A. T. Eckles will present the topic "Going To Church In 1812" was the feature, and also, election of the nominating committee will take place.

D. A. R. TO MEET NEXT ON SATURDAY, MARCH 7

On Saturday, March 7, the Lawrence chapter of the Daughters of the American Revolution will be entertained by Miss Jennie Morgan, 209 East Grant street.

"Rebecca Lukens, Woman in Steel", which will be the topic of Mrs. F. E. Sowers, will carry on with the chapter's program theme for the year, "Patriots in Petticoats".

Those who will serve with Miss Morgan as associate hostesses for this meeting are: Miss Ruth Sample, Mrs. A. T. Eckles, Miss Nettie Hinkson, Miss Annie Mitchell, Mrs. F. P. Miller, Mrs. William Mitchell, Mrs. E. B. Russell and Mrs. J. O. Woods.

JUNIOR CIRCLE NAMES TUESDAY CO-HOSTESSES

Co-hostesses for the Junior Reading Circle meeting scheduled for Tuesday evening in the home of Miss Marian Ross, 307 1/2 Highland avenue, include Miss Jane Kamenberg, Miss Harriet Phipps and Mrs. Laura Carr.

On this occasion when they gathered for their meeting of the month, they will have as speaker, Miss Ingeborg Halgren. She will give a talk on "Handicraft".

C. D. OF A. DANCE COMMITTEE TO MEET

This evening members of the Catholic Daughters of America dance committee will meet in the lodge rooms of St. Joseph's church at 7:30 o'clock after the 7 o'clock devotion.

Chairman of the dance, Frances Corio, and co-chairman, Mary Chail, announce that plans will be discussed for the formal dance, which will be held after the Lenten season.

GLADYS I. REED BRIDE OF SGT. WILLIAM AYERS

Yesterday morning, March 1, in Epworth Methodist church, a wedding ceremony marked by simplicity was impressively carried out when Miss Gladys Irene Reed, daughter of Mr. and Mrs. L. R. Reed of 907 DuShane street, became the bride of Sargeant William J. Ayers, Camp Meade, Md., son of Mr. and Mrs. William Ayers of 1106 West Washington street, this city.

The vows were exchanged at 8:45 o'clock, with the Rev. Homer Davis, pastor of Croton Methodist church, officiating with the single ring service.

Given in marriage by her father, the bride was attractive in a street length shell pink crepe dress. Her hat matched and her shoulder corsage was of pink roses and sweet-peas. Miss Helen Singer as her only attendant, was attired in an aqua blue crepe dress, street length, with matching hat. Her shoulder bouquet was of pink roses.

Raymond Colbert of this city served as best man.

A congratulatory period followed immediately afterwards, while the organist, Miss Lavina McConahy, played triumphant echoes of Mendelssohn's Wedding Chorus. She also played appropriate numbers preceding and during the ceremony.

Sergeant and Mrs. Ayers left immediately for Laurel, Md., where they will be temporarily located.

The bride, a graduate of New Castle High school with the June class of '40, was an employee of the Shenango Pottery. Sergeant Ayers, who attended the local high school, has been in the U. S. service for the past year with headquarters at Camp Meade.

JAMESON HOSPITAL HOSTESS GROUP NAMED

Sewing garments and articles for use at Jameson Memorial hospital continues, and this month the Kings Daughters of the First Methodist church will be in charge of the bi-weekly sessions, of which Mrs. W. C. Mayberry is president.

Their first meeting will take place Wednesday morning, March 4, in the solarium of Jameson Memorial hospital, with the hours from 9 until 12 being observed. They will gather at the same place on March 18, for another meeting.

Farewell For G. Salak

On a recent evening the lining room employees of Shenango Pottery entertained informally at a farewell party, the occasion honoring a co-worker, George Salak, who will leave soon to serve in the U. S. Army.

The event took place at a suburban club house, with upwards of a hundred in attendance. Patsy Farrone was master of ceremonies during the evening who called upon the following for brief talks: Anthony Sacco, Abraham Deep and Dom DeCarlo, who made appropriate remarks.

A cake walk featured, with Anthony Sacco and Patsy Farrone leaders. Dancing and music were diversions, and during the later hours, additional guests called to bid Salak farewell.

The guest of honor was remembered with several handsome gifts.

Friendly Friends

The Friendly Friends club will be entertained Friday evening by Mrs. Will McDevitt at 114 North Ray street.

Shirley Nolte Honored
Honoring her daughter, Shirley, on her tenth birthday anniversary, Mrs. George Nolte entertained a gathering of her classmates and playmates Saturday afternoon, in their home on Haven street, as a medium of celebrating.

The hours from 1 until 5 were spent informally with a round of contests and stunts, with various prizes being distributed. Following, the group enjoyed a birthday lunch served at a table appointed in time with the occasion. Mrs. Ray Nolte aided the hostess, throughout the afternoon.

Shirley was the recipient of many lovely gifts from those gathered, as added mementos of the day.

Modern Maidens Club
Modern Maidens club met with Mrs. Teresa Flaminio, Highland avenue, on a recent evening.

Games were played by the group, the high score prize going to Lillian Palmer. A lovely gift was presented to the hostess from the club.

A delicious lunch was served later in the evening. A theatre party has been planned for March 4. On March 11, Christina Flaminio of Neal street will be hostess.

Almost Thousand Aliens Register

Last Minute Rush Fails To Materialize, Only Few Registering Saturday

BELIEVE ALL HAVE COMPILED

Close to 1,000 enemy aliens registered here during the past month in the registration count taken by the government in order to keep a check on all non-citizens of enemy racial affiliation.

In this registration, each was required to submit a picture and was given an identification certificate which contains his picture, which must be kept available at all times, and displayed to officials of the government asking it.

The total number who completed registration up to 5 o'clock Saturday evening was 975, and approximately a half-dozen were unable to complete their registration due to various reasons, who were given a few days to complete this.

The number above does not include enemy aliens from the Ellwood City district who registered at the Ellwood City post office, but takes in virtually all of the rest of the county.

Postmaster William R. Hanna is of the opinion that virtually all who were subject to this registration have complied. All of those registered were Italian or German people, not a single Jap being registered here.

Fall Is Fatal To Man Sunday

Seventh Ward Resident Fatally Injured Early Sunday Morning

John Jaskolka, aged 53 years, of 1014 1/2 Ashland avenue, was fatally injured shortly after midnight Saturday night, when he slipped and fell down a flight of icy cement steps, while returning from the home of a neighbor, Stanley Pietrie of 1023 Ashland avenue.

Jaskolka had spent the evening at the Pietrie home, and when he left was unaware of the icy condition prevailing due to a light rain which fell during the evening and froze when it hit the ground.

A large man, Jaskolka fell the length of about a dozen cement steps, alighting on the sidewalk below.

low. He suffered a fractured skull and other injuries, and is believed to have been almost instantly killed.

Discovery was made of his body by Mr. Pietrie about 15 or 20 minutes after the accident, and when city police arrived in response to a call, found that Jaskolka was dead. They notified Coroner T. P. Nugent, who conducted an investigation and pronounced Jaskolka's death as accidental. Officers William Alliger and "Bud" Flegler responded to the call from Pietrie.

Mr. Jaskolka was born in Poland on June 14, 1888, a son of Mr. and Mrs. Frank Jaskolka. He had resided in New Castle for 40 years and was employed by the Carnegie-Illinois Steel Corp. He was a member of the Madonna church and Kazimir Pulaski club.

Survivors are two sons, Anthony and Julian, of New Castle; one sister, Mrs. Mary Smolen and five brothers in Poland.

Funeral services will be held Tuesday morning at 9 o'clock from the J. R. Noga funeral home, East Long avenue, with further services at 9:30 o'clock in Madonna church, with Rev. Fr. E. Pilulik in charge. Interment will be in Madonna cemetery.

The total number who completed registration up to 5 o'clock Saturday evening was 975, and approximately a half-dozen were unable to complete their registration due to various reasons, who were given a few days to complete this.

The number above does not include enemy aliens from the Ellwood City district who registered at the Ellwood City post office, but takes in virtually all of the rest of the county.

Postmaster William R. Hanna is of the opinion that virtually all who were subject to this registration have complied. All of those registered were Italian or German people, not a single Jap being registered here.

John Jaskolka, aged 53 years, of 1014 1/2 Ashland avenue, was fatally injured shortly after midnight Saturday night, when he slipped and fell down a flight of icy cement steps, while returning from the home of a neighbor, Stanley Pietrie of 1023 Ashland avenue.

Jaskolka had spent the evening at the Pietrie home, and when he left was unaware of the icy condition prevailing due to a light rain which fell during the evening and froze when it hit the ground.

A large man, Jaskolka fell the length of about a dozen cement steps, alighting on the sidewalk below.

Rev. Fr. Leo S. Watterson Discusses Topic Of Lenten Devotions At Meeting

Members of the Young Ladies' Sodality of St. Mary's church met recently in the church hall after the evening devotions with Prefect Patricia Maher in charge.

Rev. Fr. Leo S. Watterson, spiritual director, gave a short talk on the spiritual bouquet for Pope Pius XII, and Lenten devotions, urging all Sodalist to take part in them.

Sodalist Mary Alice Carey gave a report of the meeting of the Lawvere County Union of Sodalties, which was held on February 22.

It was decided to have the various committees of the sodality make arrangements for the future programs, and each committee will be responsible for a program of a sodality meeting.

Admiral Hart Stops In Cairo Enroute To U. S.

(BULLETIN) (International News Service) CAIRO, March 2.—U. S. Admiral Thomas C. Hart, former naval commander of the United Nations in the southwest Pacific, left here today after a brief visit. He is enroute to Washington.

Admiral Hart asked to be relieved of his command because of ill health. Prior to his appointment as United Nations commander, he was chief of the U. S. Asiatic fleet.

(Editor's Note.—The Japanese high command killed Admiral Hart with propaganda bullets shortly after the Macassar Straits naval battle. Tokyo reiterated this claim several times.)

"Three Stooges" To Add Hilarity To "Hocus Pocus"

Will Aid In Comedy Roles Of Kiwanis Show—Rehearsals Being Held Nightly

Advance indications give promise that the current Kiwanis Benefit Show, "Hocus Pocus" will be packed with laughs and comedy.

The "Three Stooges" move through the entire first act and their antics will send the audience into gales of laughter, as they attempt to be magicians in their own right. Needles to say their efforts while not magical are highly amusing.

Just about the time they seem to get in a hopeless muddle, Burgette, the professional magician with the show, steps in and with a little real magic straightens them out. The stooges are: Dudley Arnold, "Pee Wee" Warnock.

A cast of 150 is rehearsing daily to make this show the entertainment highlight of the season.

Proceeds will be used by the Kiwanis club for underprivileged child work.

St. Mary's Alumni Officers Elected

Leo Lenherr, Elected President Of Group; To Conduct Weekly Parties After Lent

Recently the St. Mary's alumni met in St. Mary's hall for their semi-monthly business meeting.

Election of officers for the ensuing year took place. Leo Lenherr, president; Stella Malloy, vice president; Althea Fauzey, secretary; Prentice Stenger, treasurer; Mary Alice Carey, social chairlady; and John V. Gallagher, publicity.

Following the election, installation of new officers took place. The newly elected president then extended a vote of thanks to the outgoing officers for their splendid work during the past year.

Plans were completed for a series of weekly parties to be conducted after the Lenten season, with Leo Lenherr and Prentice Stenger in charge.

Lumber In State Not Sufficient For State Demands

(Special To The News)

HARRISBURG, March 2.—Trees are such a common sight on the landscape and wood is such a familiar article of everyday use that the average Pennsylvanian often fails to fully appreciate the lumber situation as it exists in our state today.

Most of the lumber we use is not home-grown and we must go to other states for many of our forest products. We use more than eight times as much lumber as we produce.

To assist in alleviating this condition the sale of 100 million board feet of lumber from the state forests was inaugurated.

The forests of Pennsylvania are rich in a variety of forest trees and the original acreage of forest land in Pennsylvania carried approximately 17,500 board feet of lumber and ten cords of wood.

One hundred years ago there still remained in Pennsylvania twenty acres of forest land for each inhabitant. Today there is only one and one-third acres of second-growth forest land for each inhabitant and less than one acre of original timber for every five hundred inhabitants of the state.

Estimates show that at least five million people in Pennsylvania live in dwellings built of wood. The products of our forests range from timber and lumber to pulp and paper wood, chemicals and a thousand and one other commodities.

Secretary Stewart points out that if the forests of Pennsylvania are given proper protection and handled carefully, their growth will increase, for forest land responds promptly to any care that is given it. Among the things to be considered in restoring Pennsylvania to a state of lumber productivity are effective fire cutting, improved methods of forest control, elimination of waste and utilization, and the restoration of idle areas to timber production.

At the bottom of the whole timber situation is the idle land within our state which is producing no crop and is well adapted to the planting of forest trees.

FIERCE BATTLE BEING FOUGHT FOR RANGOON

(Continued from Page One)

their interior strength along a thin line for the expected assault of the enemy.

Rangoon was believed to be in imminent danger. Reports from the capital were scanty and long delayed. The town is under strict military control, and still alive from blazes started by the defenders to destroy all supplies that would be of value to the enemy.

Only in the air were the defenders in the battle of Burma holding their own. The American volunteer group and R. A. F. airmen shot down 51 Japanese planes over Rangoon Wednesday and Thursday with only two of their own planes lost.

Large Reinforcements

Japan's attack on Java, calling on tremendous forces, apparently was not being permitted to interfere with the Burma campaign. Large forces of veteran troops were continuing to move into positions north of Rangoon. Heavy Japanese concentrations were reported in the vicinity of Schwegyin, only a few miles from the railroad feeding the Burma road.

A Japanese attack was said to have been beaten off in the Pegu area, where the railroad from Moumein connects with the main line from Rangoon to Mandalay.

Military quarters in London were not optimistic over the situation. It was doubted that Rangoon could be held.

Chungking reports, quoting members of the AVG, said there was considerable fifth column activity throughout Burma, and that looting was going on in Rangoon and other areas.

Former Wife Of Capt. Roosevelt Is Married Again

(International News Service)

NEW YORK, March 2.—John Hay Whitney and his bride, the former Mrs. Betsy Cushing Roosevelt, were honeymooning today following their marriage yesterday at the home of the wealthy sportsman and financier's mother.

After the reception, the couple departed for Greenwood Plantation, one of the Whitney estates at Thomasville, Ga. They are expected to go on to Florida and return to Washington in two weeks where Whitney is director of the motion picture division of the office of the co-ordinator of inter-American affairs.

The bride is the daughter of Mrs. Harvey Cushing and the late Dr. Cushing, brain specialist, of Boston. She obtained an interdictory decree of divorce from Captain James Roosevelt of the U. S. marines by default in Los Angeles on March 7, 1940.

The eldest son of the president and the present Mrs. Whitney were married in Brookline, Mass., on June 4, 1930, two days before his graduation from Harvard. They have two children, Sara Delano Roosevelt, 10, and Kate, 6.

There has been no official estimate of the casualties but they are believed to be in the hundreds.

(Editor's Note: The London Evening Star estimated that 100,000 Japanese now are on Java and that "landings are continuing". N. E. I. forces were estimated at 200,000 in addition to thousands of United Nations troops.)

Aneta said that a thorough check indicated no new Japanese landing successes anywhere, while the enemy forces attempting to push forward from the three original beach heads were handicapped by receiving very little air support.

Meanwhile, Dutch and other United Nations bombers and fighters remained active, shutting in what was described as a regular "ferry service" between their bases and the battle areas. Roads leading to the invaded district have been closed to all but military traffic, all moving in one direction—toward the front line.

The Japanese attempted to raid Bandung, causing two alerts in rapid succession, but the enemy planes were driven off by fighters and anti-aircraft fire.

There was no immediate indication as to the extent of the United Nations counter-offensive on land. But reliable sources in Bandung said there was good reason to believe that the main Japanese spearhead which captured Subang, 40 miles north of this city, had been cut off.

"It now has a good chance of being mopped up," one source said. Extreme secrecy was maintained regarding the progress of all operations. Correspondents were not permitted to reveal tactics or the scenes of encounter except in the most general way. It can be stated, however, that while enemy losses thus far are extremely heavy both in ships and men, the Japanese remain undaunted.

There is little doubt that they intend to follow up their initial thrusts with a full-scale invasion. Huge numbers of men and heavy equipment have been landed and steady attempts are being made to beach even more.

Had United Nations air forces in Java been twice their present strength, authorities said, the Japanese attempt would have been doomed to failure from the start.

U. S. and British Troops Aid

Presence of American and British troops in the battle line was officially disclosed in an order of the day to imperial forces by their local commander. It said:

"We have the honor to be about to fight with our Dutch and American allies in defense of the last stronghold of democracy in the southwest Pacific."

"The Japanese are skillful, well-armed opponents and are likely to be superior in numbers. They fight better in attack than in defense. Therefore our best chance is to attack wherever we can. Attack, not defense, must be our watchword."

In accordance with this order, the offensive got under way as soon as strategically possible.

Situation Late Today

At a late hour this afternoon, the situation appeared to be as follows:

1—An isolated Japanese unit consisting of bicycle troops and armored cars which penetrated as far as Subang beachhead and probably has been cut off and may face annihilation.

Heart Operation Youth Improves

(International News Service)

Mrs. Cecil McAnallen of the Harlanburg-East Brook road received a phone call from her husband at Philadelphia, Sunday evening, stating that their 12-year-old son Harvey is going along nicely.

He underwent a serious heart operation at Temple university hospital Friday morning, also an operation on his leg, to remove a blood clot, sustained while skating about a month ago. He was given some ice cream on Sunday.

LATEST ATTEMPT TO LAND ON JAVA BADLY SMASHED

(Continued from Page One)

British troops against the Japanese invaders of Java "continue satisfactorily" and no new landings have been made. It was stated yesterday early this (Tuesday) morning.

At the same time, it was announced that destruction of all vital installations in Batavia has been started, although there is "no question" of any immediate threat to the capital.

Word of the "satisfactory" nature of counter-offensive action against the invaders was circulated by the Netherlands East Indies news agency Aneta, whose correspondents in the front line bear testimony to the splendid manner in which Java's long-established defense system is operating.

Defense Well Planned

Every step in the fighting is being carried out according to pre-arranged plan, it was emphasized. No hasty mobilization of men or construction of motor vehicles was necessary. Java's army was made ready months ago. All essential trucks, buses and taxicabs were commandeered for transportation or courier duties at the same time.

The button was pressed when the first Japanese troops landed. Air superiority would have prevented the invasion in the first place, it was stated.

Had United Nations air forces in Java been twice their present strength, authorities said, the Japanese attempt would have been doomed to failure from the start.

3—Enemy advance guards and infiltration units are being sent out in various areas to test United Nations positions and strength.

LAWYERS HAVE ANNUAL BANQUET AT FIELD CLUB

(Continued from Page One)

Rea, Hugh D. Graham, Alvah M. Shumaker, Gilbert E. Long, Walter A. Kleier and Charles V. Ross.

Mr. Keller spoke on the matter of "A Free Press," a most timely topic at this stage in world history. Mr. Keller is a son of Superior Court Judge William H. Keller. He spoke of the fine reception he had received here at the hands of The News when their plant was flooded out in Pittsburgh during the spring flood of 1936.

He told of the difficulties confronting a newspaper in the publication of news during ordinary times and war times, and of the attempts made to curb the free expression of the newspapers, recalling a number of cases in which contempt was cited against a Los Angeles newspaper for their comments on court decisions. He pointed out that actions were not brought by the courts, but by a committee of members from the bar association. In only one instance was the newspaper ruled against by the supreme court to which the cases were finally appealed, and that by a slim margin, showing that the highest court felt that the newspaper was within its bounds in reviewing these cases in its editorial columns.

Mr. Keller stated that he believed it to be of public interest for a newspaper to comment on live issues of the day.

Freedoms Are Menaced

Referring to conditions under war time, he stated that our four great freedoms, freedom of speech, religion, right of assembly and of press were menaced. Every man, he pointed out, cannot operate a newspaper, so that the publishers are the trustees for the public in this regard.

Mr. Keller said that military censorship is inevitable, but already certain elements are trying to influence the public mind in curbing the freedom of the newspapers in regard to news that the enemy already knows about. As time goes along, he stated, that he felt there would be more rigid demands on the newspapers.

He cited the fact that it was the pressure of the press in England which forced Chamberlain out, and caused a revision of Churchill's cabinet, all of which he felt was for the best.

One thing which should be guarded against in this country is the attempt being made to stifle political action, he stated.

He cited the War Secrets Bill now before congress, which prohibits the publication of the contents of any communication, letter, paper, etc. declared secret by bureaus of the government. This would prevent any effort to bring to light blunders which might be made in any government bureau.

In conclusion, he stated that almost every American would be willing to die to preserve our freedom, but that we should guard it and cherish it in all its departments.

Mr. Leide gave some observations of a law professor, speaking in a light vein, and recalling a number of amusing incidents in his career as a lawyer and president.

Hear State President

Mr. Genard, the president of the State Bar association, urged the members of the county bar association to carry membership in the state body. He cited the fact that the business of the lawyers is constantly dropping because of the centralization of the law business in offices in the large cities just as the chain store business has curbed the business of the independent merchant.

He pointed out the fact that the lawyer is going to have a great program and the post war period and that it will be up to the legal advisors of the state to take a firm stand on the principles which they know are sound and right.

The general banquet committee was composed of Thomas V. Manell, chairman; Robert M. White, H. A. Wilkinson, Joseph R. McFate and Allen D. Keller.

Serving as carvers were J. Glenn Berry, Ralph Cooper, Charles H. Young, Marshall G. Matheny, Alvah M. Shumaker and Roy M. Jamison, while the gravy and meat passers were James E. Chambers, LeRoy Donaldson, Charles V. Ross, Kenneth McLure, Edward Rea, Gilbert E. Long, Elmer O'Neill and Robert Jamison.

The bars of Beaver, Butler and Mercer counties were well represented at the banquet, along with a number of local officials.

Visiting judges included Hon. James A. McLaughry of Mercer and Henry H. Wilson of Beaver county in addition to the local judges, W. Walter Braham, John G. Lamore and former Judges Charles Matthews, Jr. and R. Lawrence Hildebrand. Former Judge James A. Chambers was prevented from attending by illness, being confined in a Baltimore hospital, where he is undergoing treatment.

Francisco de Figueroa, the poet, destroyed all his verses before he died. They were later collected and published, however, from copies in the hands of his friends.

HOW TO GET A LOAN TO PAY YOUR INCOME TAX

No endorsers or guarantors needed—Monthly payments to fit your own pocketbook

YOU MUST PAY at least one-fourth of your total federal income tax by March 16th. If you do not, your entire tax becomes due at once.

If you need additional cash in order to pay your tax on March 16th, and if you have a job, you can borrow the money at Household Finance. Then you may repay your loan in small monthly installments. See in the table below how you may choose a convenient payment plan.

All you do

All you do to apply for a Household Finance loan is to tell us how much you need and how you wish to repay. Household Finance loans are made in three ways: 1. On your personal note. No security is required. Note loans are made under proper conditions, to both single persons and married couples. 2. On your car. This plan may best fit your needs. 3. On your furniture. Your loan will be made the way which best fits your own situation.

You need no endorsers or guarantors to borrow at Household. Service is quick and private. You may apply for your loan one day and have the money in your hands the next. At no time will we question friends or relatives for your credit.

\$50 loan for only \$3.16

The cost of a Household Finance loan is surprisingly reasonable. Suppose you borrow \$50 and repay in four monthly installments of \$13.29 each. You repay a total of \$53.16. The cost of your loan is this only \$3.16. Or suppose you borrow \$100 on the six-month plan. Your six monthly payments of \$18.15 each total \$108.90. The cost of your loan is just \$8.90.

If you need a loan to pay part or all of your tax, or for any other good reason, see us at once. Or just phone and say how much you wish to borrow. We are always ready to make helpful loans. Phone or visit us without obligation.

Free Income Tax Help

This new Income Tax Estimator shows approximate tax you will have to pay. It's free! Ask for one—and for official U. S. tax forms. Anyone is welcome to these income tax services.

FIND HERE THE CASH LOAN YOU NEED

CHOOSE YOUR MONTHLY PAYMENT HERE

WE GUARANTEE The total amount figured by using this table to be the full amount you will pay, when payments are made on schedule. You will pay less, if you pay your loan ahead of time since you pay charges only for the actual time you have the money. Payments include charges at Household's rate of 2 1/2% per month on that part of a balance not exceeding \$100 and 2% per month on that part of a balance in excess of \$100. This rate is less than the maximum permitted by the Small Loan Law, P. L. 76-603, approved August 1, 1939.

Gen. Vanderbilt's Body Will Be Taken To New York City

(International News Service)

MIAMI, Fla., March 2.—Relatives prepared today to return the body of Brig. Gen. Cornelius Vanderbilt III, victim of a cerebral hemorrhage, to New York where he once was virtually disowned by his parents because of a marriage they disapproved.

Gen. Vanderbilt, stricken Saturday afternoon, died at 6:30 p. m. yesterday aboard his palatial yacht Ambassador anchored in the Miami City Yacht Basin. He was 68 years old.

Summoned hastily as soon as his critical condition was evident, Cornelius Vanderbilt, Jr., his son; Mrs. Harry Payne Whitney and the Countess de Secheny, sisters, and William K. Vanderbilt, a cousin, were at his bedside when he died. His widow and their daughter, Grace, were en route.

He had passed the last few hours of his life under an oxygen tent and never recovered consciousness following the stroke. His body was to be removed to New York in his private railroad car.

The New York financier and head of the Vanderbilt clan was cut off by his father with a reported \$500,000 of the estimated \$800,000,000 estate in 1899 because, while still a student at Yale's Sheffield Scientific school, he married Grace Wilson, against his father's wishes and, in fact, without his parents' knowledge.

Good Attendances In Church Contest

The attendance the third Sunday of the Pre-Easter increase campaign being sponsored by the Lawrence County Sabbath School Association was the best to date, and a number of Sunday schools both in the city and county have points. The church attendance was also encouraging and the slogan of those participating seems to be, "Every church member in Sunday school, and every Sunday school member in church."

In the first, New Castle, group, the First Presbyterian with an attendance of 376 had a total of 14 points, and the Highland U. P. with an attendance of 427 had a total of 10 points. Yesterday's attendance of the Sunday schools in this group were, Third U. P., 484; Epworth Methodist, 410; and First Baptist, 380.

In the second, New Castle, group, the First Christian is leading with an attendance of 253 yesterday and a total of 19 points, and the attendance of the First U. P. was 390 with a total of 20 points. Yesterday's attendances for other Sunday schools of this group were Second U. P., 329; Central Presbyterian, 243; and Croton Methodist, 236.

In the third, New Castle, group, the Mahoning Methodist had an attendance yesterday of 181, Central 180, St. Paul's Lutheran 132, Wesley Methodist 117, and Maitland Memorial Primitive Methodist 107. In the fourth, New Castle, group, the North Side Community church with an attendance of 75 gained 11 points, the Mahoningtown Presbyterian with an attendance yesterday of 105 has a total of 7 points, the St. John's Lutheran with an attendance of 91 has a total of 6 points, the attendance yesterday of the Madison Avenue Christian was 99 and for the Reformed Presbyterian was 41. Savannah Methodist with an average attendance last year of 98 has also joined this group but yesterday's attendance is lacking.

The Sunday schools outside of New Castle that have gained points are Rich Hill Presbyterian, East Brook U. P. Moravia Presbyterian, Wampum Presbyterian, and the attendance for yesterday of the other Sunday schools will be published later this week.

The highest church attendance yesterday was the Second U. P. with 87 per cent of the Sunday school attendance remaining for the morning church service.

The following is the attendance average to date of the Sunday schools sending in reports for church attendance.

the way to
amazing new
pep... vitality...
better looks!

A truly marvelous change can be brought about by overcoming miserable digestive complaints, under-weight, sluggishness, loss of appetite—all by two important steps—

Restore vital digestive juices in the stomach... energize your body with rich, red blood. Here's how!

If you are one of those unfortunate who have worked until a strain, failed to eat the proper foods, have been vexed by overeating, or have suffered with indigestion, the flu, or other illness... yet have no organic trouble or focal infection... this food... red blood-cells have become reduced in vitality and number... if your stomach digestion refuses to work properly, then here is what should help you!

S.S.S. Tonic is especially designed to build up blood strength when deficient... to revive and stimulate those stomach juices which digest the food so your body can make proper use of it in rebuilding worn-out tissue. These two important results enable you to enjoy the food you do eat... to make use of it as Nature intended. Thus you may get new vitality... pep... become animated... more attractive!

Meyers Proposes Harmony Slate

Would Have Two Women Candidates On Democratic Ticket In State

By RAYMOND WILCOVE
International News Service Staff Correspondent

HARRISBURG, March 2 — In a surprise move, Democratic State Chairman Meredith Meyers today announced a "compromise slate" including two women, which he indicated would end the bickering over candidates within the party if adopted.

Meyers' slate was composed of Luther A. Harr, Philadelphia, former secretary of banking, for governor; John F. Breslin, Carbon county, executive assistant to the auditor general, for lieutenant governor; Mrs. George H. Earle, Havertown, wife of the former governor, for secretary of internal affairs; Judge Ralph H. Smith, Pittsburgh, for the state supreme court; and Judge James Nelson, Johnstown, for Grover Lader, Philadelphia, for the superior court.

Meyers said he had suggested Mrs. Earle for the cabinet post once before and he now had "reason to believe she is in a receptive mood."

In addition, Meyers proposed Mrs. John J. Kane, Pittsburgh, wife of the Allegheny county commissioner, as the Democratic candidate for congressman-at-large.

Meyers emphasized that the slate was strictly his own but believed it would bring harmony within the party if accepted.

"I want rural Pennsylvania represented and I have it in Judge Nelson and Breslin," he declared, "and I want the metropolitan sections represented and I have it in Mrs. Earle, Harr and Kane."

"This ticket is only a suggestion on my part but there is no reason why it can't be adopted."

"With all the men going into the army or navy there is a place for women in the picture and that's the reason I picked Mrs. Earle and Mrs. Kane," he said.

Mrs. Allura E. McClelland of North Beaver township has just received a radio message from her daughter, First Lieut. Frances E. McClelland, that she had landed safely in Australia. Miss McClelland left New York on January 19, as head nurse of the 52nd evacuation hospital unit organized by the Pennsylvania hospital of Philadelphia and made up mostly of doctors and nurses from that organization.

The unit's duty is to do medical and surgical service as near the fighting line as seems safe.

St. David's Day Banquet Saturday

In the dining room of the Epworth Methodist church, the annual St. David's Day banquet will be held Saturday evening, March 7, at six o'clock.

The occasion will be under the sponsorship of the Star of Wales and Martha lodges of the True Friends of America.

President Judge W. Walter Brahm will be the guest speaker of the evening.

Rev. Thomas J. Jones, pastor of the First Congregational church, will preside over the meeting. Edwin Lewis will be the accompanist. Pep singing will be directed by Griff Thomas.

There will be a literary and musical program.

Guests are expected from Sharon, Ellwood City, Allegheny, Youngstown and surrounding communities.

Two Seek Reward In Kentucky Case

LEXINGTON, Ky., March 2.—Two persons laid claim today to the \$3,070 reward offered for information leading to the arrest and conviction of the slayers of golf star Marion Miley and her mother, Elsa, last September 28 at the Lexington Country club.

Hugh Johnson Cramer asserted he had furnished information concerning an automobile parked in the driveway of the club the night of the murder, which afterward figured in the investigation. Ann Carlberg claimed she provided names of persons who knew of Raymond "Skeeter" Baxter's alleged connection with the case.

Baxter, Robert Anderson and Thomas Penny were condemned to death as the slayers. Their cases now are pending before the court of appeals.

Residents Living About As Usual Over In Hawaii

(Special To The News)

STATE COLLEGE, Pa., March 2.—Despite Pearl Harbor and wartime restrictions, residents of Hawaii seem to be living a fairly normal existence.

Professor W. R. White, in charge of agricultural correspondence courses at the Pennsylvania State college, reports that an inquiry has been received from a man living in Hawaii regarding a course in turkey growing.

More than 60 per cent of the requests for information regarding correspondence courses during the past two weeks has been for the turkey growing course.

Second on the list is vegetable gardening, which is explained by the rising interest in war gardens. But agricultural officials here are at loss to explain the sudden interest in turkey growing.

Students taking logic at a Rhode Island college prepared the papers for their own examination, as suggested by their principal. Ninety-two per cent failed.

AROUND CITY HALL

Although this city has not yet evinced any fear of going short for police or firemen, Sharon city officials fear their call for additional police and firemen may go unanswered due to a shortage of men.

The secretary of the Sharon Civil Service commission has placed March 7, as the final date to receive applications for civil service tests for places on the two departments. One councilman said age limits are most severe at this time because of selective service. He added few married men who have been employed steadily would be willing to aspire for a city post. The council here has been appointing men temporarily using the civil service list as the source of supply.

A controversy is raging in Pittsburgh in regard to the half pay law to dependents of police and firemen who enter military service. The same controversy exists here.

Third class cries throughout the state are watching interestingly the outcome of a suit brought by Nicholas Petrillo, known here in police circles, to compel the city of Farrell to reinstate him as police captain. He was demoted January 5, by council action. Judge G. H. Rowley Mercer court, will hear arguments today. The captain asserted his demotion was "purely political" and that council evaded provisions of the civil service act. Farrell city officials claim they have the right to fix the number, rank and compensation of the police and that Petrillo was not discharged. If Petrillo wins his suit it will mean Third class cities cannot demote any police official without first proving charges of inefficiency.

Joseph Haydn (1732-1809) has been called the Father of the Symphony Orchestra. It was he who divided the orchestra as we know it today into the four choirs.

Washington, D. C., which is now considered one of the most beautiful cities in the world, was planned by Pierre Charles L'Enfant, who had served in our Revolutionary War as a military engineer.

Convoys And Subs Wage Battle Of Sound At Night

By WILLIAM W. WADE
International News Service
Staff Correspondent

REYKJAVIK, Iceland—(Delayed)—A convoy crossing the wartime north Atlantic today finds the fall of night both a friend and a foe. Under the cover of night and a cloudy sky a blacked-out ship is a difficult target, almost completely invisible at a short distance except to the keenest of eyes. But the periscope of a submarine is a thousandfold less visible, a speck of metal hopelessly hidden behind black waves and a lightless sky. Therefore, the game of hide and seek between convoys and submarines at night becomes a battle of sound waged by the delicate detection instruments aboard U-boats and escort vessels. Convoys ships cannot silence their throbbing motors, but as soon as night falls they guard against any stray gleam of light that might flash their position to a lurking enemy. Aboard the ship on which I traveled to Iceland, blackout orders were given as the sun was setting. Port holes were tightly shut and the only lights to the deck were through light-locked double doors. The vessel followed a course laid down by the flagship of the convoy in orders blinked out by light signals during the day.

Use Of Radio Slight

The use of radio at sea in wartime, of course, is subject to urgent emergencies—a radio message can be a dead giveaway to a ship's position. At night even light signals are rarely used. Our convoy had to change its specified course one night to avoid the path of a lighted ship—an infrequent sight on the Atlantic these days. In this instance, the convoy's flagship flashed her light signals.

Your Federal Income Tax

NO. 49
LAST CALL FOR INCOME TAX RETURNS

Have you filed your Federal income-tax return? If you come within the group from whom returns are required, you have only until midnight, March 16, in which to file a return. Single persons who earned as much as \$14.43 a week for the 52 weeks of 1941; or married persons living together who had aggregate earnings of as much as \$28.85 a week for the year, are required to file returns. The instructions attached to the forms describe the method of preparing returns, out if further information is necessary it may be obtained at the offices of the collector of internal revenue, deputy collector, or an internal revenue agent in charge. They place no charge for their services. If income-tax returns are placed in the mail, they should be posted in ample time to reach the collector's office on or before the due date—that is, midnight on March 16 for calendar-year returns. Taxpayers subject themselves to a penalty for failure to file returns on time.

Honor Chas. Mort At Farewell As He Enters Navy

Member of the New Castle division Substation Department of the Pennsylvania Power Company gathered together at a local restaurant last Saturday evening to tender good wishes to the first of their group to leave for service in the armed forces—Charles Mort, who has voluntarily enlisted in the U. S. Navy. Each member present had a few words of advice or suggestions to offer during the course of the evening's proceedings. The main speakers, however, were Emmett Kurtz who gave experiences of his Spanish-American war service and Andy Hunter who served in the U. S. Navy when ships were both sail and steam jessels. Jim Cooper, a World War 1 Veteran urged Charlie to take care of two important items, his service record and maintain a diary of service which he assured would prove most valuable in later years. Bill Donley, also a War veteran, suggested that the men of the substation department would always welcome news from Charlie, and more so would Charlie's own family look forward to his letters and not to regret that essential duty. All in attendance spent an enjoyable evening in congenial comradeship. F. E. Kaatz, Superintendent of the Substation Department on behalf of the group employees in that department presented Charlie with a pen and pencil set. Bernard Hook acted as Master of Ceremonies for the evening.

Dr. Joseph Ignace Guillotin, after whom the instrument of death was named did not invent the guillotine. It was invented in Italy and was improved and introduced into France by Dr. Guillotin during the French Revolution.

Captured Guns May Be Disposed Of As Scrap Metal

Ordinance Department Reports Inquiries About World War Trophies

(Special To The News)
WASHINGTON, March 2.—The office of the chief of ordinance has received requests for information concerning the present possible use in national defense of cannon and other items of military materiel salvaged from the Central Powers at the conclusion of the first World War and distributed among the various states as trophies of war. In many instances these cannon and other weapons are mounted in public squares, parks, and before court houses in communities throughout the nation. Inquiries received at the office of Maj. Gen. Charles M. Wesson, chief of ordinance, indicate that civic groups would like to make these cannon and machine guns scrap metal or for other purposes. The interest shown by these civic groups in our armament program is greatly appreciated by the ordinance department. It must be pointed out, however, that these cannon and machine guns now have value only as scrap. It is suggested that civic groups wishing to make these items available for present needs make contact with their local scrap metal dealers and offer the items for sale. The money derived from the sales might be used to purchase defense bonds or stamps, or as a contribution to the American Red Cross, or for the purchase of locally needed defense equipment. In several instances civic groups offering these trophies to the government have done so with a request that they be replaced with new items after the present war. The ordinance department cannot undertake to make this promise. The groups disposing of the trophies must do so without ordinance department assurance that they will be replaced. The ordinance department cannot pay freight or other charges in connection with the handling of any of these trophies.

ENTERTAINMENT
Mrs. Lulu Heitenbaugh and Mrs. Irene Macom were very gracious hostesses Friday to the members of the Baptist Missionary Circle and several other friends. This was an all day meeting with sewing and quilting to occupy the time. At noon a delicious and bountiful turkey dinner was served to around thirty persons. In the afternoon Mrs. Mary Hunt had charge of a program of song, scripture and prayer, and Rev. R. G. Thomas gave a talk on "Missions and Missionary Churches."

Mrs. Donald Reddick of Slippery Rock spent a day last week with Mrs. Sam Hunt. Mrs. Chester White and son, Ronald of New Castle spent one day last week with Mr. and Mrs. W. J. Eakin.

Scout Anniversary Special Program

"Cavalcade Of America" Series Will Feature Event Of Girl Scout Thirtieth Anniversary

As a feature of the celebration of Girl Scouting's thirtieth birthday on March 12, the Girl Scouts of New Castle and Ellwood City will present a series of six "Cavalcade of America" dramatic radio plays over the local radio station, it was announced today by Mrs. W. E. McAfee of the Girl Scout Council. Mrs. McAfee explained that special permission has been granted to the Girl Scouts by the du Pont company, commercial sponsors of the "Cavalcade" service on the National Broadcasting Company Radio Network: NBC officials, the musicians, and radio actors, unions, and others involved, to present six selected programs from the series. All commercial announcements have been deleted and Girl Scout talks substituted for them, which will be heard here are: "Jane Addams," "Dr. Franklin Takes It Easy," "Heroes of the Sea," "William Penn," "Young Andrew Jackson," and "The Undeclared Border."

This series of transmissions of the famous "Cavalcade" program is offered to Lawrence county as part of the Girl Scout community service effort," Mrs. McAfee said. "We are proud to be able to provide such fine and timely radio entertainment for our radio listeners." "Our aim is to present radio entertainment which will further the belief in our American way of life." The Cavalcade programs have been voted again and again one of the best broadcasts on the air. They have high entertainment value as well as educational aspects that are very important at this time. These radio plays which the Girl Scouts have chosen to transcribe concern the building of America and the people who laid the foundations for our democratic way of life. New Castle and Ellwood City Girl Scout Councils have selected speakers to make brief talks at the end of each transcribed program. Plans are being made for "listening in" parties for members of some Girl Scout troops and others interested in the "Cavalcade" series. These programs will be given as follows: Monday 8 at 7:30 p. m. and March 9 to 13 at 8:30 p. m. each evening.

Members of the Civil Air Patrol of this district will meet for the first class of military drill Wednesday evening at 8:30. The class will be held in the Cunningham Armory and will be directed by Captain Lester McClelland.

To become a member of the Civil Air Patrol, applicants must take an 80 hour course of basic training. This includes Military Courtesy and Discipline, Infantry Drill Regulations for Foot Troops without Arms, First Aid Course, Interior Guard Duty, Crash Procedure, etc., with a minimum number of hours devoted to each subject. Members of this Air Patrol are volunteers for duties assigned by the Army and is a voluntary service to the national defense by the flying and ground personnel of civil aviation, augmented by personnel of the operation and maintenance of civil aviation equipment and facilities. Applications may be had by those wishing to become members by contacting Squadron Commander Findley C. Wilson at the New Castle Airport.

Annual Convention Of Wampum District

Sabbath School Association Group Hears Address By Mrs. Arthur French

An intensely interesting message was brought to the 26th annual convention of the Wampum district, Lawrence County Sabbath School association, by Mrs. Arthur French of New Castle, who is a returned missionary from China at their evening session in Wampum Presbyterian church Sunday. Rev. Lester Bailey of the Wampum Methodist church had charge of the praise service, while the newly elected officers were installed by the county president, Robert M. Strickler Jr. At the afternoon session, Mrs. Darl Allen had charge of devotions, a state convention report was given by Mrs. Laura Mills, remarks were made by Charles Davis and Miss Emma Ford, and an address on "Prayer" was given by Mrs. Iva McBride. This was followed by an address by Rev. Lester Bailey. The county president and Rev. J. G. Bingham, county home department superintendent, responded for the county officers. The following officers were elected by the district for the coming year: President: Walter Guy; vice president: Charles Davis; secretary: Stanley Brest; treasurer: Aubrey Reno; children's: Mrs. Oscar Jackson; young people: Paul Coulter; home department: Miss Emma Ford; missions: Mrs. Laura Mills; temperance: A. L. Reed; parent training: Rev. J. G. Bingham; Christian education: Mrs. Katherine Tesby; administrative: Butler Henon; and superintendent of evangelism, Miss Nellie Grimm.

Over 1000 Have Been Enrolled In Defense Classes
Since the defense classes started in the shop buildings adjacent to the Benjamin Franklin junior high school on July 17, 1940, there have been over 1000 men and young men enrolled according to Earl M. Cass, the supervisor. The one thousand mark was passed several days ago and today the total stands at 1021. Of the total 422 were in the plant training courses, that is they are employed and took the instruction to further their knowledge.

To Consider Budget At Meeting Tonight
Called into special meeting tonight, the New Castle school board will probably decide which of two tentative budgets will be placed upon public display on March 10. One of the proposed budgets shows an increase in school tax millage, it is understood, while the other would provide an increase of half a mill.

PROVIDENT MUTUAL IN A WORLD AT WAR

TODAY, business institutions are no longer judged solely by the old standards of gains and losses. Instead, they are judged largely by what they are doing in the world struggle to preserve human freedom.

During the first World War, during the inflationary period of the twenties, and during the depression of the thirties, life insurance exerted a powerful influence in stabilizing the national economy and providing security for the individual. It is playing an equally vital role today.

By providing economic security for the American home, it makes an outstanding contribution to American Morale. With more than one billion dollars of life insurance in force, PROVIDENT MUTUAL makes it possible for many thousands of men and women throughout the land to do their work more efficiently—confident of the future.

Another vital contribution is that many people, who otherwise might be dependent, are regularly receiving life insurance checks. During 1941 Provident Mutual paid policy owners and beneficiaries more than twenty-six million dollars.

LIFE INSURANCE DOLLARS ARE BUSY DOLLARS
Life insurance dollars are not idle—they are continuously being plowed back into essential American industries and efforts. Of Provident Mutual's four hundred million dollars of resources, nearly 20% are invested directly in United States Government securities; 43% in bonds and stocks of the country's basic industries; and 22% in real estate and mortgages.

There are many ways in which you can help America in these trying times. One is to see that, so far as possible, your own family has ample security against emergency. Life insurance enables you not only to accomplish this objective but also to perform your necessary duties with a freer, surer mind.

Three New Castle Motorists Injured
YOUNGSTOWN, March 2.—Three New Castle motorists were injured, two seriously, at 6:30 p. m. Saturday when their car failed to negotiate a curve on Route 224 about a mile west of the Ohio-Pennsylvania state line, plunged over a 20-foot embankment, hit a tree and turned over.
Mrs. Hazel Thompson, aged 43, of 621 John street, New Castle, Pa., and a friend of the Thompson family, but no relation, Lloyd Thompson, aged 19, of 625 East Washington street, New Castle, have serious arm injuries and are in "fair" condition in South Side unit of Youngstown hospital.
Bernard Thompson, aged 21, Mrs. Thompson's son, was treated for cuts about the face and head. Deputy sheriffs, who investigated, say that spectators who gathered at the spectacular crash had to turn the car over to get Bernard from beneath the car.
Deputies say the accident was due to slippery roads. They were apparently returning to New Castle.
Brad's stockraising industry, with about 93 million head of livestock, is the largest in the world, according to the department of commerce.

New Castle-Braddock To Battle Wednesday

New Castle High Going Back To Pitt Stadium First Time In Six Years

Braddock Will Have To Be Good To Trip Locals, Is General Opinion

Champions of Section Three the first time since 1936, New Castle High basketball team is preparing for an invasion of the Pitt stadium on Wednesday evening to battle Braddock High, champions of Section 7. The game is slated for 8:30 o'clock, following the preliminary Class B game.

Head Coach Phil H. Bridenbaugh faces a tough task in getting his 1942 team ready for tournament play, due to the fact that naturally none of the boys have ever played in the Pitt stadium. None have had tournament experience of any kind.

Hard Fighting Team
New Castle has a hard-fighting team this season and it will take a mighty good Braddock team to stop them. New Castle will be in there fighting every minute and with Lee and Clazza, the teams leading scorers blazing away at the buckets, the red and blacks are going to be plenty tough to trip.

Back in 1936 the New Castle team led by Captain Johnny Carik carried off the W. P. I. A. L. and went to the finals for the state championship. Losing to Newport Township 36 to 34 when a young blonde by the name of Voshefski blasted two field goals into the net so fast that it left everybody breathless.

Buy Tickets Here
The students and fans are asked to buy their tickets for the game in New Castle before going to Pittsburgh, as New Castle High gets a percentage on the sale of tickets here, but not at Pittsburgh. The tickets are 50 cents this year, a raise of ten cents over the tickets New Castle fans bought six years ago, but this year Uncle Sam gets five cents per ticket and the W. P. I. A. L. collects five cents per ticket, making it necessary to charge 50 cents. Tickets can be bought at the Sporting Goods Store or the Senior High School.

MILTONS WIN GAME
The Milton A. C. triumphed at the North Hill All-Stars on Sunday at the Arena floor, 30 to 20, with Francis Stockman, Pazzone and Humphrey starting for the Miltons, and Buckingham, McCann and Langfield best for the losers.

MacMitchell Loses; Rice Winner Again

First Loss For Star Miller In 26 Starts; Rice Cops 43rd Straight Win

(International News Service)
NEW YORK, March 2.—The greatest miler since Glenn Cunningham retired looked ahead to a comeback today after being beaten for the first time in 26 straight starts, indoors and out, including cross-country.

Out-lasted by two yards as Gil Dodds of Boston, reeled off a meet record of 4:08.7 in the National A. U. championships Saturday night, Leslie MacMitchell, of New York university, will attempt a successful defense of his intercollegiate 4-A crown on the coming week end.

Dodds opened up a 15-yard lead going into the fifth lap around the Madison Square Garden track, and staved off MacMitchell's closing sprint to win in one-tenth under the standard for the meet set by Chuck Penske in 1940.

That was the top surprise of the evening for 14,000 fans who went berserk at the finish, but the most notable achievement was Greg Rice's 43rd straight victory at varying distances—this time at three miles. He broke the indoor record for this event for the third straight year, with a 13:45.7 performance, which also shattered the world listed outdoor record of 13:50.6 and approached the unlisted mark.

Penn State Nails Up 11th Straight And 16th Triumph By 43-38 Count

STATE COLLEGE, March 2.—Coach John Lawther's Penn State cage aces rang up their 11th consecutive victory and their 16th win of the season on Saturday night, whipping New York university, 43-38.

The Lions, sure bets to get the N.C.A.A. or National Invitational tourney bid, took command of the situation at the outset and kept up a pace that befuddled the opposition.

Herk Baltimore, New Castle athlete playing center for State, again proved one of the mainstays.

Illinois Winner Of Big Ten Title

By smothering Northwestern University, 63-49, Illinois' young cage team snatched the Big Ten cage title Saturday.

The Illini moved on top in the opening week of play and clinched a deadlock for the league championship a few weeks back.
Other Big Ten results Saturday: Wisconsin 44, Ohio State 39; Iowa 42, Purdue 36; Indiana 54, Minnesota 45; Michigan 49, Chicago 36.

Titans Tounce Bethany Cagers

Westminster Nabs 14th Triumph Of Season Saturday By 79-47 Count

FOX AND WASIK LEADING SCORERS

(Special To The News)
NEW WILMINGTON, March 2.—Westminster College's Titans easily earned their 14th victory in 19 clashes by drubbing Bethany college for the second time this season, 79-47, Saturday night at New Wilmington.

With Lee Fox, Stan Wasik and "Buzz" Ridd spearheading the attack, the blue and white flippers leaped ahead 21-10 as the opening period ended. At this juncture, Coach Grover Washabaugh sent in his reserves. The seconds held their own with the adversary, plunking 15 points to give the Westminsterites a 36-25 margin at recess time.

The varsity crew re-entered the skirmish in the third stanza and rolled in 25 more markers while the opponent counted 10. During the remainder of the clash the Titans reserves saw action.

With 14 triumphs in the ledger, Westminster can climb higher in the district standing by defeating Duquesne university Tuesday night at New Wilmington.

Fox High Man
Fox emerged with high scoring honors, pumping in 17 points. Wasik was second with 11 points. Despite the lopsided score, the individual scoring honors went to D. Miller of the Bison with 24 points.

Coach Washabaugh will send his proteges through their final in preparation for the Duke fight tonight.

FAIR OR FOUL

By LAWTON CARVER
INS Sports Editor

NEW YORK, March 2.—Joe DiMaggio is the greatest figure in baseball today.

Both from a standpoint of crowd appeal and intrinsic ability to help the New York Yankee quest for another pennant he stands above all others because he is the one man in the game today that even old-timers lick up with stars in the past as all-time great.

Bobby Feller was quite a pitcher for the Cleveland Indians. But there must be some doubt as to whether he is rated with the Walter Johnsons, the Christy Mathewsons and those others of that breed. And so far as that goes Feller won't be pitching for the Indians next year because he is in the navy in case anybody wants to point out a pitcher Feller is outstanding. A pitcher can get in his own way. An outfielder is out there every day.

So what is DiMaggio worth to the Yankees?

Worth The Dough
I personally think he is worth all he can get. He is worth that to the American league, too, except that the American league doesn't pay his salary, of course. The point of all this is that DiMaggio is about to go into a dickering match with the Yankees over his next year's salary and will be confronted by the current stock argument in baseball, that the war makes everything uncertain. That's a lot of nonsense. DiMaggio should get what he is worth or no war, because people will go to hell games war or no war, and the only way to judge his salary is on the basis of the fact that he is the outstanding figure in the game today.

DiMaggio broke records last season, one of them being the consecutive game mark that had stood

since the era of Wee Willie Keeler. That should be enough in itself to bring about a substantial raise, aside from the fact that DiMaggio hit .357, including 30 home runs, and drove in 125 runs.

He also was voted in as the most valuable player in the American league for last season and was regarded as a quite definite factor in the Yankees' comeback to the title.

Just taking the salaries of other players in the game today and figuring Joe DiMaggio from that point on, you know what I think he is worth? Just about \$50,000 a year in salary and gate receipts. Moreover, I think he should be worth more as he goes along, if he keeps on at his present pace.

Exact Figure Unknown
Brother, you said it, when you mention that the New York Yankees won't like this. They probably are justified, too. A ball player could use this as an argument in his behalf and possibly cause the Yankees to even call up and suggest that inasmuch as I figure he is worth so much I should pay half of his salary.

But that is neither here nor over yonder. DiMaggio, as I started out by saying, is the greatest figure in the game today and should cash in accordingly.

The payoff on all this is, of course, that nobody will know what DiMaggio finally accepts, because ball players don't reveal what they are doing with the management beyond hints sufficient to help their cause.

Everybody knows that nobody is likely to get wind of DiMaggio's exact salary by publication, but everybody with a typewriter and some place to get their prattlings mentioned will be shilling for the San Francisco Italian because he deserves all he can get.

Grove City Will Battle Geneva Tuesday Night

Groves Having Best Season Of Many Years—Hope For Victory At Beaver Falls

(Special To The News)
GROVE CITY, March 2.—A Grove City college basketball squad has currently as hot as any team in the history of the school will invade Beaver Falls Tuesday evening for an all-out effort to beat Geneva's passers. It looks as a large assignment, but the Groves who ran wild against Thiel, Friday, could turn the trick.

Only three games stand between the 1942 Groves and the best record since the halcyon days of two decades ago, when Crimson teams were at the top of the heap. These three games constitute the highest hurdle on the schedule, which has seen the Groves winning 13 and losing three. Two losses were to New York state teams on a week-end trip, and Thiel handed the Crimson a setback at Greenville that was effectively wiped out by a 54-26 Grove City victory Friday on the home court.

After Geneva at Beaver Falls on Tuesday.

TOURNEY GAMES
W. P. I. A. L. tourney games booked for tonight pair Connelville and Uniontown in a Section 9 playoff and Burgettstown vs. Coraopolis. Both games will be played at Pitt stadium.

SACRED HEARTS WIN
The Sacred Hearts basketball team handily defeated the Arena Sunday afternoon, 20 to 10. The star for the Sacred Hearts was Binder.

Approximately six weeks remain until trout season is ushered in, and fly fishermen are on edge. In fact, throughout Sunday and this morning we've received several telephone calls inquiring as to whether or not trout stocking here has started. We telephoned Fish Warden Clint White and he said no trout have yet been stocked this year, but added: "I'm expecting word every day that a shipment is en route." Titans-Dukes Clash Tuesday

Rivals Battle On New Wilmington Court; Game Will Start At 8:15 O'Clock

(Special To The News)
NEW WILMINGTON, March 2.—New Wilmington is making preparations to accommodate one of the biggest basketball galleries in many years on Tuesday night.

The topnotch collegiate tussle pairs Westminster college's Titans and Duquesne university's famous Dukes. The game will start at 8:15 o'clock.

On the short end of a 34-32 count earlier this season, the Titans will present their best basketball in the hopes of avenging the setback and the same time squash the Dukes' hopes of winning a bid to the NCAA tourney or the National Invitational classic in New York.

Duquesne will step onto the boards with a record of 13 wins out of 17 games. Geneva, Bradley, Villanova and Long Island have dunked the Dukes' colors in defeat point. Westminster, winner of 14 out of 19, has lost to Duquesne, Geneva, Villanova, Brooklyn and Toledo.

An overflow crowd is sure for the top clash of the season in this district. All tickets were sold out long ago. The game will start at 8:15 o'clock, today. W. W. S. W. will broadcast the game.

Polish Falcons Win Championship

For the ninth straight season the Polish Falcons defeated the K. Pulaski Big Five to win the Polish championship of New Castle Sunday at the Falcon floor 42 to 22.

The Falcons previously tripped the Oaklanders at the Pulaski court.

The Falcons led at the half 21 to 12. Starring in the game were Eugene "Gabby" Kendra and Cowden "or the Falcons and Guz for the loss.

The biggest crowd of the season attended the game at the Miller avenue floor.

Shelby Basketball Squad Has Hectic Visit To Meridian

By JOHN BALL
(Special News Correspondent)
CAMP SHELBY, Miss., March 2.—This yarn was intended to be a sports story.

Since the story concerns a classy basketball outfit from Camp Shelby whose last floor action is being exhibited on the better basketball courts around the southern countryside this season, it would be well enough alone to tell of their athletic prowess.

But when there are 3-alarm fires connected together with a series of festive dances and the Marines mixed up into one week end, then, the narrative by all the rules of the "Fourth Estate," no longer identifies sports.

The Second Battalion Services Battery floor squad of the 190th Field Artillery, which represents the regiment in Camp Shelby basketball circles, received an invitation to play the highly Tenth Pursuit Squadron Air Corps team at Meridian, Miss., last Sunday.

The artillerymen accepted, went and to say "conquered" would be masterful understatement.

A brilliant piece of strategy planned by the Air Corpsmen should have had the "big gun" team licked before they actually met on the floor. It was arranged for the local lads to play a high school five on Saturday night.

By wearing the artillerymen down, the Sunday competition should be a cinch for the Fliers. However, the 190th squad walloped the schoolboys so badly that it was useless to keep score after the half.

Emerging from the showers after the warm-up tilt, the visitors were ready for a "hot time in the town." Five minutes later they were having a general row until after the large Meridian tenement block and immediately the artillerymen went into action.

The next time the 190th Second Service outfit, composed of New Castle's Sergeants Walter Szymkowicz, George Brown, Corporal Harry Pasley and eastern Pennsylvanians, Private Alton Zenter, Louis Koons, Robert Seabolt, Paul Geiz and Allen Strou, go away to play basketball, Lieutenant Richard Gutshall, executive officer of the New Castle Service Battery, who was in charge of the convoy to Meridian, is going to take along his vitamin pills.

"Our men certainly get around. Five minutes later they were having a general row until after the large Meridian tenement block and immediately the artillerymen went into action."

Bessemer Girds For Next Setto

Section 20 Champs Will Face Bridgeville-Monaca Winner On Friday Night

Triumphant in their initial Class B, W.P.I.A.L. tourney skirmish, Bessemer girds for their 17th consecutive triumph in this afternoon to start girding for the next assignment.

The jubilant Section 20 ambassadors know the date and site of their impending joust—Friday evening on Beaver Falls high gym—but will not know their adversary until after the Monaca-Bridgeville clash is played tomorrow night.

Coach A. G. Capezutti was well pleased with the showing made by the young club. "I honestly think we won because we played ourselves right. You know a team can't play itself out on the big court," the genial coach, noted for producing topnotch football and basketball teams at Bessemer, commented today.

Grubisa Toast Of Town
Jack "Rabbit" Grubisa, one of the cleverest spheroid addicts uncovered in the Class B ranks here in many seasons, is the toast of the town, for more than one reason. Troubled by the left thigh, the tiny guard played the greatest game of his life, despite the handicap. The injury was bandaged to such an extent that the leg was twice its natural size.

Since the game is five days off, the rest should aid Grubisa immeasurably. He should be in much better condition than he was last Friday.

Bessemer's "zone defense" again proved one of the main factors that netted the localites their 17th conquest in 20 tries. The red and black defense was so impregnable that the visitors were forced to bombard the rims from long range.

Bessemer's chances of winning the elusive title depend on the next game. Monaca, winner of 15 in a row and boasting of a 18 out of 21 victory mark, has been installed as the top heavy favorite to bag the title, as it figures to, the Lawrence countians will match wits with one of the smoothest units in the league.

Tickets for next Friday night's game have been placed on sale at the school, Bessemer Drug Store and at the Sporting Goods Store, school officials disclosed today.

DOESN'T MISCE OFTEN
Ed Pellagrini is in the running for the Red Sox shortest job. For San Diego he played 30 straight errorless games last year.

Gill Dodds and Leslie MacMitchell will race again, this time at Columbus Saturday night in New York. Dodds became the new sensation in the A. A. U. games when he defeated MacMitchell in 4:08.7, in the mile event. MacMitchell was awarded the James E. Sullivan Young of New York, tonight in New York. Both Angott and Wilson have fought here.

Requested was first, Redhorn was second and Alsab was third in the Flamingo stakes at Hialeah, Saturday. The race was worth \$28,150.

Birds Evacuate
Trees In Park

It has been noticed that the many birds who have been occupying the branches of a number of the trees in the park on the Diamond have almost entirely "evacuated" their positions.
Owen Fox believes these birds, which are mostly sparrows, are now getting ready for their spring housekeeping.
He states that this specie of bird, nests during 10 months of the year, with time off in December and January. Saturday afternoon he observed some sparrows picking up pieces of loose twigs, dead grass and string at Gaston Park for the making of nests.

FROM ME TO YOU

By MESEALL

March, March, March, it's here at last . . . some other person can decide on how it came in . . . Like a lion or a lamb. From now on we must get our thinking caps on. It will just be a matter of a very few weeks until you will be out digging in the good earth.

It will be necessary this year for the people of this nation to plant Victory Gardens. Now this should be taken very seriously . . . great thought should be given by those who want to help. Not every piece of land will be suitable for a garden . . . here in New Castle your correspondent here is Chairman of the local Victory Gardens . . . we hope to set up a plan whereby good crops can be raised with the minimum amount of labor . . . There is no sense in planting poor ground . . . seeds, we can't waste them and tools must be watched. So in the next few days look around and see if you have a plot of ground that will be suitable for a victory garden . . . If you have any questions as to the suitability of your ground save it for a few days . . . we hope to set up a registration station whereby all answers can be taken care of properly . . . Let's get together and do our part . . . and do it properly.

Here is just a little idea that we picked up . . . This woman will probably get it sooner than the men . . . With all this talk about hose and the shortage of silk and the swing to Nylon and now the high price of Nylon we were just wondering if maybe this word N-Y-L-O-N meant

Stock Market Prices Lower

Sluggish Trading Is Reported In New York Stock Market Today

(International News Service)
NEW YORK, March 2.—The stock market weakened amid sluggish trading today, several leaders dropping a point or more. The weakness was apparent at the opening and although some support developed later the list generally gained but little over first hour prices.
Among the representative stocks to give up a point or more at the close were Bethlehem Steel, DuPont, Johns-Manville, American Airlines, Westinghouse Electric, Santa Fe and Union Pacific.
Socony-Vacuum eased a fraction to a new 1941-42 bottom.
Also depressed were U. S. Steel, Chrysler, General Motors, Anaconda, Kennecott, American Telephone, General Electric, Standard Oil, N. Y. Central, U. S. Rubber, Eastman Kodak, Sears Roebuck and United Aircraft.
A handful of stocks bucked the trend. Included were Goodyear, Consolidated Edison, International Nickel, Continental Can and U. S. Steel.

Largely Attended Services Held Sunday At Wurtemburg U. P. Church

ELLWOOD CITY, March 2.—At one of the largest attended services in the history of the Wurtemburg United Presbyterian church, funeral rites were held on Sunday afternoon for one of the oldest members, James F. Smith.

Mr. Smith, a Perry township resident for 80 years, passed away at his home on Thursday morning after an extended illness. The services were conducted by Rev. J. E. Caughey, pastor of the church, assisted by Dr. Charles Z. Bell, of the Ellwood-New Castle road.

During the service a quartet, Albert, Chauncey and Harry Boots and Harvey Hazen, accompanied by Mrs. Emmett Graham, sang two selections, "Going Down the Valley" and "The City Foursquare".

A great many lovely flowers evidenced the esteem in which he was held by relatives and friends. Grandchildren served as flower-bearers, and the pallbearers, Charles, Ross, Glenn and Frank McElwain, Frank Smith and Charles Mehard, were nephews. Interment was made in the church cemetery.

In one month more than 500 gas masks were left in trunks arriving at King's Cross, Liverpool Street and Marylebone stations in England. Three hundred were afterward claimed.

Deatherage Barred

George E. Deatherage

George E. Deatherage, above, former national commander of the Knights of the White Camellia, has been barred from further work on a naval project at Hampton Roads, Va., as a construction engineer by the United States navy. When the Dies committee investigated his activities in 1939, Deatherage acknowledged contact with the German propaganda sources.

Robert McKim Is Given Farewell

Altruistic Class Of First Methodist Church Arranges Party Saturday Night

ELLWOOD CITY, March 2.—On Saturday evening a group of members and friends gathered at the First Methodist church as a farewell tribute to Robert McKim, who will be among the local men to leave this week for U. S. Army induction. The event was also arranged as a farewell to Ray Lash and Edward Duncan, who will also be among the draftees, but they were unable to attend.

Members of the Altruistic class arranged the party which featured various informal diversions. Mr. McKim was presented with a purse of money and a lovely cake, decorated with miniature soldiers arranged about a Victory V.

A special guest was Robert Lee, who has been in the service for several months and who was home for a short visit with his parents, Mr. and Mrs. Thomas Lee, Wayne avenue. Mr. and Mrs. James Bickett, New Castle, were also among the guests. Mrs. Bickett and Mrs. McKim are sisters.

Knox Services Are Continued

ELLWOOD CITY, March 2.—The evangelistic services at the Knox Presbyterian church resumed last evening, with an exceptionally good attendance and interesting meeting.

The evangelist, Rev. Wayne P. Hark, spoke on the subject, "Lot's Wife", and special music included songs by Mr. and Mrs. Thomas Gillespie and Mrs. Orin Swick, of the Concord church, and Hawaiian guitar selections by a trio of young men.

Tonight's service will begin at 7:30 o'clock with a song service, led by J. R. Clark.

Albert H. Oliver Dies This Morning

ELLWOOD CITY, March 2.—Albert Henry Oliver, aged 41 years, died very suddenly this morning at 9 o'clock at his home, at Knox.

Mr. Oliver had been in poor health for sometime but his death was very unexpected at this time, bringing much sorrow to relatives and friends.

He is survived by his wife, Mrs. Alice Oliver; five children, Mrs. Ben Anderson, Jr., of North Sewickley; Marie, Albert Junior, Elleen and Robert, all at home. Two brothers and one sister, also survive.

Funeral arrangements will be announced in Tuesday's paper.

Vernon Myers Gets Yale Appointment

ELLWOOD CITY, March 2.—Vernon Myers, son of Mr. and Mrs. C. K. Myers, Wayne avenue, has had the honor of being appointed as an assistant professor of physics at Yale university. He will begin his work there in July and at the same time will work for his doctor's degree.

At the present time he is working on his master's degree at Syracuse university. He was graduated from Geneva college in 1939 and received his B. A. degree from that school in 1940.

Wallis Family Marks Birthdays

ELLWOOD CITY, March 2.—Birthdays were in order for the Carl Wallis family, 312 Johnston Drive, Ellwood City, on Sunday.

Their daughter, Miss Eileen Wallis, marked her 17th birthday and shared honors with her brother, Dale who was 13. It was also the birthday of Mrs. Wallis and her sister, Mrs. Clem Beatty of Koppel.

The occasion was celebrated with a family dinner at the Wallis home.

Ellis Infant Dies From Suffocation

Infant Son Of Mr. And Mrs. Aubrey C. Ellis, Wiley Hill, Buried Today

ELLWOOD CITY, March 2.—Bruce Aubrey Ellis, aged 8 months, son of Mr. and Mrs. Aubrey C. Ellis, Wiley Hill, died on Saturday morning.

Death of the child was due to suffocation from bed clothing which had become tangled about the baby's head. Mrs. Ellis discovered that something had happened to the baby shortly before noon, and called a doctor. The Rescue Squad of the Fire department was called and worked with the infant for about half an hour without any re-action.

In addition to the parents, the child is survived by its grandparents, Mr. and Mrs. Walter Moore, New Brighton; Mr. and Mrs. Barch, of Akron, O., and a great-grandmother, Mrs. Winters.

Funeral services were held this afternoon at 2 o'clock from the home of Mrs. Ellis' uncle and aunt, Mr. and Mrs. Thomas Hollenbach, Wiley Hill. Rev. Robert M. Barr conducted the services with interment being made in the Concord cemetery.

FIREMEN CALLED
ELLWOOD CITY, March 2.—Members of the Ellwood fire department were called to the city building last night at 6:15. There was no damage, the alarm having been caused by smoke.

LADIES AUXILIARY
ELLWOOD CITY, March 2.—The Ladies Auxiliary of the Ellwood fire department will meet tonight at 7 o'clock at the Sixth street fire station.

Davis Class Has
Banquet Event

Result Of Contest For Members Is Observed At Methodist Church

Thirty members of the Davis Bible Class of the Mahoning Methodist church met in the basement of the church, during the week end.

The occasion took the form of a banquet, as the result of a campaign contest for members, which was won by the men of the class.

At 6:30, the dinner was served by the ladies. Rev. David J. Blasdel, pastor and class teacher, gave the invocation.

Patriotic decorations, with model soldiers and flags gaced the tables. Frederick Wettick, class president, Dr. C. M. Bocher, vice president, Wendell McClurg, social secretary, spoke briefly.

The group joined in pep singing, accompanied on the piano by Mrs. C. M. Bocher.

Deck tennis and shuffleboard games were enjoyed. Leonard Blasdel and Rev. Blasdel captained the shuffleboard teams, the latter team coming out victorious.

Milton Butts, and Wendell McClurg, were captains of the Deck Tennis teams, in a spirited contest, with Mr. Butts team being the winners.

The kitchen committee was composed of Mrs. Henry Hamilton, Mrs. John Phillips, Mrs. Perry Birk, Mrs. Harry Mowry, Mrs. Milton Butts, Mrs. Wendell McClurg.

Dining room committee, Mrs. Mildred Hahn, Mrs. Kenneth Simmons, Miss Ruth Stimpel.

Next regular meeting March 28.

St. Margaret's
To Have Benefit

Society Plans Red Cross Benefit Dinner; To Purchase \$400 Defense Bond In March

It was unanimously decided to have a Red Cross benefit dinner, plans being made at the meeting of the St. Margaret's society, held Sunday afternoon at 2:30 o'clock in the hall, North Liberty street.

President Bartolomeo Lombardo was in charge and announced that the event will be held in the form of a spaghetti dinner on Saturday evening, March 28, in St. Margaret's hall. Officers of the society will be the committee in charge, with Mr. Lombardo as chairman. Entire proceeds for the dinner will be contributed to the local Red Cross chapter.

The announcement was also made that another \$400 defense bond will be purchased by the society during the month of March. This will be the second \$400 bond to be purchased, the first having been bought several months ago.

Seventeen new members were initiated at the meeting on Sunday afternoon.

This evening the St. Margaret's Bocce league will resume their games, with the Duquesne and Carnegie teams to play. Captains are Patsy Monaco and Tony Quarto, respectively. The teams will start play at 7 o'clock in the basement of St. Margaret's society.

Mack Domenick, chairman of the sports committee announced today.

Friday evening, March 6, an officers meeting for St. Margaret's society and the Sons and Daughters of St. Margaret's will be held, at which time further plans for the Red Cross benefit will be discussed.

The April meeting for St. Margaret's society will be held on April 12, due to the fact that Easter falls on their meeting day, which is the first Sunday of the month.

BIRTHDAY CLUB
HAS DINNER PARTY

Mrs. George Houk of North Cedar street entertained members of the Birthday club with a dinner party at her home Saturday evening at 6:30. Miss Harriet Kennedy assisted the hostess in serving the dinner.

The diversions of the evening were games and contests with the prize being awarded to Mrs. A. F. Stritzinger. Mrs. Hugh Stewart won the Victory prize; Miss Sue Parks received the special prize.

The hostess was presented with a couple of 25-cent defense stamps by each member present as a birthday anniversary gift.

Miss Sue Parks of East Chicago street will entertain the club March 28.

Congress Considers New Methods Of Meeting Huge War Debt

INCOME TAXES TO BE BOOSTED

WASHINGTON, March 2.—On the eve of long-awaited congressional consideration of the record tax bill, a strong move developed among Democratic members of the house ways and means committee today to increase President Roosevelt's revenue program by another \$2,000,000,000.

Secretary of the Treasury Morgenthau is slated to appear before the committee tomorrow with detailed suggestions as to how the presidentially requested \$7,000,000,000 in general war taxes can best be imposed.

He is expected to recommend that individual income taxes be doubled, or more, and then deducted by employers from salary check and pay envelopes; that corporate, estate and gift levies be sharply increased; that existing "loopholes" be plugged and the excise or "hidden" imposts be broadened and raised.

In addition to this the president has asked that the social security revenues be increased by \$2,000,000,000, but this phase of the broad program has been postponed for future consideration. Meanwhile, two influential committee Democrats publicly urged that a total of \$9,000,000,000 in new general revenue be raised at this time, and that the proposed new social security levies be dealt with later.

Rep. Robertson (D) Va., said that this could—and should—be done largely through a general sales tax, which the treasury declines to recommend, but which long has had strong support in congress.

Sales Tax?

"There is a strong move in the ways and means committee to bring our total general taxes to \$25,000,000,000 a year instead of the present \$16,000,000,000," Robertson said. "We feel that this can be done largely through a sales tax and greatly increased corporation taxes, and that it should be done to help meet estimated federal expenditures of \$55,000,000,000 a month."

Rep. Boehne (D) Ind., also urged a \$9,000,000,000 general tax bill at this time, declaring "if the country can stand it, it certainly can stand it now."

Committee Chairman Doughton (D) N. C. himself has refused to be bound by the president's figure of \$7,000,000,000, stating "we must raise as much as we reasonably can—it may be more than that or it may be less."

While details of the treasury's forthcoming tax proposals were not available as yet, officials said the recommendations will include:

Raising personal income taxes from the present starting rate of about 10 per cent—the rates payable March 15—to 20 or 25 per cent, with similar increases up the line, and with provision for collecting at the source, i. e., reductions from payrolls or other incomes. This is expected to raise some \$2,500,000,000 in new revenue.

Sharply increase corporation income taxes and excess profits levies to raise between \$2,500,000,000 and \$2,750,000,000.

Broaden the number of commodities subject to excise taxes, and increase the rates to raise about \$1,000,000,000.

Plug loopholes and increase estate and gift taxes to raise between \$750,000,000 and \$1,000,000,000.

Three Firemen Are Killed In Canada
(International News Service)
MONTREAL, Que., March 2.—Three firemen were killed today when an explosion rocked a burning furniture store in Ville Emard, on the outskirts of Montreal. Five residents of an apartment in the three-story building were reported missing. Tons of debris fell on the firemen when the explosion caused the first floor of the building to collapse around them as they battled the blaze.

British Captain Rescued At Sea
Captain Cairns Drifted On Piece Of Wreckage For More Than 80 Hours
(International News Service)
SAN JUAN, P. R., March 2.—After drifting for more than 80 hours on a piece of wreckage, Captain R. H. Cairns of the torpedoed British tanker La Carriere was safe in port today after being rescued by a naval vessel. The skipper was the 27th survivor accounted for. Fifteen members of the tanker's crew are still missing, and one died of exposure following rescue. Captain Cairns was in good condition despite his ordeal of thirst, hunger and exposure. He was the last to leave the vessel which was attacked several times.

"I know I didn't have much time after the last torpedo struck, but everything I owned after 42 years at sea was in my cabin, and I tried to save something," the skipper said after his rescue. "It was my final voyage and I had planned to retire when we reached port."

One burglary came to the attention of city police today. The burglary was at Anderson's service station, Moravia street. The music box and cigarette machine money was stolen. The thieves made their entry through a rear door which they pried open.
